

## PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from

the Inspector General of Registration Madras,  
dated 21<sup>st</sup> December 1880 No. 464.

I have the honor to submit  
for the sanction of Government a plan  
and Estimate for a Sub Registrar's  
Office proposed to be built near the taluk  
Office at Conjeevaram, in the District  
of Chingleput at an outlay of Rs 1940.

2. The necessity for providing  
suitable accommodation was recog-  
nized in October 1879. Correspondence  
has been going on since then on the  
subject with the Collector of the District  
and the officers of the Department of  
Public Works, and the outcome there-  
of are the plan and estimate now  
submitted.

3. I must confess that when I  
wrote my letter No. 392 dated the 8<sup>th</sup>  
Novr. 1880, to the Assistant Engineer,  
Chingleput Division, I had just  
taken charge of this Department

and

and was ignorant of the precise require-  
ments of a Sub Registrar or Registrar,  
but my tour of inspection of the Registrars'  
offices in the Southern Districts  
has convinced me that, to guard <sup>against</sup> the  
mal-practices of Clerks and peons,  
it is of importance that the Sub Re-  
gistrar, or Registrar, as the case  
may be, should be so placed as to  
have his subordinates under his  
immediate eye, and be able to check  
any intrigue between them and  
parties resorting to the office for  
the purpose of registration.

4. To secure these objects, I have,  
with my letter No 460 dated 20<sup>th</sup>  
instant submitted a sketch of the  
design of building best suited.

5. In the event of the Govern-  
ment being pleased to approve of  
that sketch, I would suggest that  
the plan for the Sub Registry  
office at Conjeevaram be modified  
accordingly. The modification  
is.

is not likely to enhance the aggregate  
cost of the building, and it will be sufficient  
if sanction be granted in the Judicial  
Department for the Construction of the  
building within the estimated amount,  
leaving it to the Public Works Dept<sup>y</sup>  
to adapt the building to the require-  
ments of this Department.

6. There are funds in the  
Budget Estimate for 1881-82 to de-  
fray the cost of the work.

Order thereon 14<sup>th</sup> January 1881 No 58

The Construction of a building  
for the Sub Registry office at Conjeevaram  
at the estimated cost of Rs. 1940 is  
sanctioned.

7. The plan will be amended  
in accordance with the require-  
ments of the Department and the  
necessary funds provided from the  
Budget for 1881-82. (True Extract)
