

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from

the Director of Public Instruction,
Madras, dated 16 June 1881, No. 36.

In the Educational Building Fund Budget for 1880-81 provision was made for the completion of the Venkataswamy Middle School, but owing to the unsatisfactory condition of the School, the work was directed to be stopped in September 1880 and the allotment was surrendered. The Inspector reports that a change in the Headmastership has had a beneficial effect on the School and that the School will thrive if it be provided with a proper building. As out of an estimate of Rs 4,065, Rs 2,378 has been already expended on the work. I have the honor to request that an allotment

of Rs 2,138 may be sanctioned from the balance of the Educational Building Fund

on 1st April last towards the completion of the work during the Current official year.

Order thereon, 10th June 1881, No. 190.

Sanctioned, from the source indicated. The amount will be placed at the disposal of the Public Works Department by the Accountant General.
