Report on Estimate of Rs 2054 for  
constructing a first class Police station  
house at Athur in the Salem Dist.

Incls: 3  
1<sup>st</sup> Plan  
2<sup>nd</sup> Abstract Estimate

A requisition by the Superintendent of  
Police to this department was made in  
the month of March to prepare a  
plan and estimate for constructing a  
Police station house at Athur. But  
this officer having afterwards pointed  
out that there was no likelihood of  
of its being sanctioned, the preparation  
of the estimate was consequently post-  
-poned

Since then the Superintendent of  
Police had again called for the estimate  
with a view to its being carried out  
if possible, during the current Official  
year. The accompanying abstract esti-  
-mate of Rs 2054 for first class Police  
station house has been prepared accord-  
-ing to the standard Plan and printed  
detailed estimate approved of and  
circulated with G.O. No. 1828 W of 2<sup>d</sup> Augt/80

The building in question is pro-  
-posed to be constructed in the compound  
of the Salug Butchery facing the north  
and

and east of the gateway as shown (colored yellow)  
in the site plan.

The above plan and the  
estimate have been approved of by the  
Inspector General of Police. It is re-  
-quested therefore that the estimate may  
be sanctioned and funds provided for  
as early as possible in order that the  
work may be put in hand in the cur-  
-rent official year and completed within  
5 months from the date of its commence-  
-ment.
