Correspondence.

Read the following paper :—

Noted
From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 30th March 1881, No. 170 [Current No. 1019].

In acknowledging the receipt of the Proceedings of Government, Judicial, No. 605-A, dated the 23rd March, in which I am informed that I "need not have sent up the correspondence" adverted to in my letter, No. 135, dated 22nd March 1881, I have the honor to explain that I acted in obedience to the instructions contained in the Notification of Government, in 1859, republished in the *Fort St. George Gazette*, dated 25th May 1869, page 774, and beg to know whether I may regard those instructions as cancelled by the intimation now given to me.

ORDER THEREON, 6th June 1881, No. 1112.

Paragraph 5, G.O., 21st May 1859, No. 801 (Public), will be modified as follows :—

"It will be at the discretion of the writer to forward the correspondence referred to in such letters in original to be returned when no longer required. These will not be brought on record, but it is especially to be remarked that all that is important in them, or necessary for the full exposition of the subject, must be stated in the letter which they accompany."

Sir,

ENCLOSURES.

I have the honor to report that the services of Temporary Draftsman Giamamuthu Pillay and Temporary Clerk C. S. Subramania Iyer employed in the Chidambaram Sub Divisional Office, were dispensed with on the forenoon of 3rd Instant, and the services of the other P. Murugesu Mudaliar will be done away with on the afternoon of the 24th Idem.

2. The above was the temporary office establishment sanctioned for 3 months in G.O. No. 150-21. Dated 19th January 1881 on the expiration of the period the services of

of the individuals were dispensed with.

3. I need not point out to you that the Sub Division is the most important, and a single clerk in the Sub Division office can hardly do any justice to his work which has since November last enormously increased. In fact the damages sustained by Irrigation works last year are being, and are to be, put to rights in many cases this year, and the office work of the Sub Division has become very heavy.

4. By an oversight I failed to make provision for continuance of, at least, a portion of the temporary office establishment in the statement submitted with my No 331 of the 16th Instant, I request therefore that, if possible a clerk

clerk on 15 Rs and draftsman on 30 Rs per month may be included therein for the current year. If this proposal is approved, I beg that I may be allowed to employ the funds from the 1st June 1881-
