RESOLUTION.—The Government of India has recently had under consideration
the question—

- (1) as to whether the detail in which the Budget Estimates of expenditure on Public Works from Excluded Local Funds are at present rendered may not be dispensed with and a simple form of abstract estimate, substituted showing the transaction by *Public Works officers only* in connection with all funds classed as excluded; and
- (2) whether the submission of Municipal Budget Estimates prescribed in Public Works Department Circular No. 54 of 1869, embracing the transactions by Civil as well as by Public Works officers, may not be discontinued.

2. It has been decided that the incorporation in the estimates submitted to the Government of India in the Public Works Department by Local Governments and Administrations of the transactions of Excluded Local Funds by Civil officers is not necessary. All that is needed is a record of the operations of the Public Works Department, and, with this view, the Government of India has been pleased to prescribe the accompanying form of abstract estimate for adoption, commencing with the estimates of the ensuing official year.

3. The transactions of Public Works officers appertaining to Municipal funds will find place in the abstract Budget Estimate above prescribed. Under the operation of this order, Public Works Department Circular No. 54 of 1869 may be considered as cancelled.

ORDER.—Ordered that the foregoing be communicated to the Local Governments and Administrations and Officers

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department, General Branch.
