

PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th May 1881.

No. 856.

Read—the following Board's G. O., Received Register No. 1,503 of 1881—Proceedings of the Madras Government, dated 20th April 1881, No. 666, Financial Department:—

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Guntúr Circle, Kistna District, for 1881-82.

Read—Board's General Received Register No. 3,337 of 1881—Letter from G. MACKENZIE, Esq., Vice-President of the Local Fund Board, Guntúr Circle, to C. J. CROSTHWAITE, Esq., President of the Local Fund Boards, Kistna District, dated Guntúr, 13th April 1881, No. 5.

ADVERTING to your endorsement, No. 85, of 29th ultimo, on Revenue Board's Proceedings, Miscellaneous No. 2,973, of 21st idem (returned), I have the honor to enclose copy of Local Fund Board's Resolution of 4th instant passed thereon.

2. You will observe that, as proposed by the Director of Public Instruction, the retention of four out of six Inspecting Schoolmasters and the entertainment of a Sub-Inspector in lieu of the two abolished have been approved of by this Board.

3. The financial results of this measure would be a slight increase of Rs. 110 over the provision in the last year's budget. The particulars of the amount now entered under "Inspection" are as given below:—

	RS.
Sub-Inspector and his establishment—	
One Sub-Inspector on Rs. 60	720
Travelling batta of Sub-Inspector at 8 annas per diem ...	180
Mileage at 3 annas a mile by road	240
Contingencies at Rs. 5 per month	60
One Peon on Rs. 5	60
Travelling allowance of one Peon at 1½ annas per diem...	34
	1,294
Inspecting Schoolmasters—	
Two on Rs. 35 each	840
Two on Rs. 30 each	720
Batta of four at 8 annas per diem	720
Contingencies	48
	2,328
	3,622

or Rs. 3,620 in round numbers.

4. The Board would make the Deputy and Sub-Inspectors independent of each other and distribute the work thus:—

	Number of Taluks.	Schools.	Inspecting Schoolmasters.
Deputy Inspector	3	269	2
Sub-Inspector	3	169	2
Total	6	438	4

Further details will be left to the Inspector of Schools, Second Division.

5. As regards the training of teachers to make way for the eventual abolition of Inspecting Schoolmasters, this Board agrees with the Director in considering that the provision made is inadequate, and therefore resolved to establish a Normal School of their own at Guntūr, which would cost them less than the amount to be paid to the Masulipatam Board as contribution with better results. This the Board consider might remove the obstacles already existing in the way of inducing the schoolmasters of this circle to resort to the Normal School at Masulipatam. Details of charges of this institution appear in the enclosed Statement III-A to be incorporated in the budget.

6. In the event of this modified proposal of this Board being sanctioned by Government, the cost of the Normal School at Masulipatam will have to be reduced if the requirements of this circle have been provided for therein.

7. I enclose a statement of alterations to be made in accordance with these proposals in Statement I-B of the budget now before Government.

ENCLOSURE No. 1 to Board's General Received Register No. 3,337 of 1881.
PROCEEDINGS of the Local Fund Board, Guntūr Circle, passed at a Meeting held on 4th April 1881.

18. Proceedings of the Revenue Board, No. 2,973, of 21st March 1881, requesting this Circle Board's views on the remarks of Director of Public Instruction on our budget for 1881-82.

The Board concur in the suggestions of the Director of Public Instruction and approve of the promotion of the Guntūr Inspecting Schoolmaster to be a Sub-Inspector and the retention of four Inspecting Schoolmasters.

This Board consider that so long as the Normal School is retained at Masulipatam, the requirements of this circle will not be fully met, and the Board would be glad if this circle could have a separate Normal School at Guntūr. This would cost less than the half now paid to the Masulipatam Normal School. One master on Rs. 30 and 20 bursaries of Rs. 5 per mensem each would amount to Rs. 1,560. Rs. 13 for house-rent and contingencies would raise the annual cost to Rs. 1,716. For the first year Rs. 200 would be expended for furniture, &c. The total cost would be less than Rs. 2,000, and this circle contribution to the Masulipatam School is Rs. 2,080.

The cost of the school is estimated at Rs. 1,920, which will be entered in the budget, and the contribution of Rs. 2,080 to the Normal School at Masulipatam struck out. REVENUE BOARD OFFICE,
th May 1881.(Signed) C. D. MACLEAN,
Acting Sub-Secretary.

Exd. A. Grubert.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th May 1881.

No. 856.

Send—the following Board's G. O., Received Register No. 1,503 of 1881—Proceedings of the Madras Government, dated 20th April 1881, No. 666, Financial Department:—

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Guntur Circle, Kistna District, for 1881-82.

Send—Board's General Received Register No. 3,337 of 1881—Letter from G. MACKENZIE, Esq., Vice-President of the Local Fund Board, Guntur Circle, to C. J. CROSTHWAITE, Esq., President of the Local Fund Boards, Kistna District, dated Guntur, 13th April 1881, No. 5.

ADVERTING to your endorsement, No. 85, of 29th ultimo, on Revenue Board's Proceedings, Miscellaneous No. 2,973, of 21st idem (returned), I have the honor to enclose copy of Local Fund Board's Resolution of 4th instant passed thereon.

2. You will observe that, as proposed by the Director of Public Instruction, the retention of four out of six Inspecting Schoolmasters and the entertainment of a Sub-Inspector in lieu of the two abolished have been approved of by this Board.

3. The financial results of this measure would be a slight increase of Rs. 110 over the provision in the last year's budget. The particulars of the amount now entered under "Inspection" are as given below:—

	RS.
Sub-Inspector and his establishment—	
One Sub-Inspector on Rs. 60 ...	720
Travelling batta of Sub-Inspector at 8 annas per diem ...	180
Mileage at 3 annas a mile by road ...	240
Contingencies at Rs. 5 per month ...	60
One Peon on Rs. 5 ...	60
Travelling allowance of one Peon at 1½ annas per diem...	34
	1,294
Inspecting Schoolmasters—	
Two on Rs. 35 each ...	840
Two on Rs. 30 each ...	720
Batta of four at 8 annas per diem ...	720
Contingencies ...	48
	2,328
	3,622

or Rs. 3,620 in round numbers.

4. The Board would make the Deputy and Sub-Inspectors independent of each other and distribute the work thus:—

	Number of Taluks.	Schools.	Inspecting Schoolmasters.
Deputy Inspector ...	3	269	2
Sub-Inspector ...	3	169	2
Total ...	6	438	4

Further details will be left to the Inspector of Schools, Second Division.

5. As regards the training of teachers to make way for the eventual abolition of Inspecting Schoolmasters, this Board agrees with the Director in considering that the provision made is inadequate, and therefore resolved to establish a Normal School of their own at Guntūr, which would cost them less than the amount to be paid to the Masulipatam Board as contribution with better results. This the Board consider might remove the obstacles already existing in the way of inducing the schoolmasters of this circle to resort to the Normal School at Masulipatam. Details of charges of this institution appear in the enclosed Statement III-A to be incorporated in the budget.

6. In the event of this modified proposal of this Board being sanctioned by Government, the cost of the Normal School at Masulipatam will have to be reduced if the requirements of this circle have been provided for therein.

7. I enclose a statement of alterations to be made in accordance with these proposals in Statement I-B of the budget now before Government.

ENCLOSURE No. 1 to Board's General Received Register No. 3,337 of 1881.

PROCEEDINGS of the Local Fund Board, Guntūr Circle, passed at a Meeting held on 4th April 1881.

18. Proceedings of the Revenue Board, No. 2,973, of 21st March 1881, requesting this Circle Board's views on the remarks of Director of Public Instruction on our budget for 1881-82.

The Board concur in the suggestions of the Director of Public Instruction and approve of the promotion of the Guntūr Inspecting Schoolmaster to be a Sub-Inspector and the retention of four Inspecting Schoolmasters.

This Board consider that so long as the Normal School is retained at Masulipatam, the requirements of this circle will not be fully met, and the Board would be glad if this circle could have a separate Normal School at Guntūr. This would cost less than the half now paid to the Masulipatam Normal School. One master on Rs. 30 and 20 bursaries of Rs. 5 per mensem each would amount to Rs. 1,560. Rs. 13 for house-rent and contingencies would raise the annual cost to Rs. 1,716. For the first year Rs. 200 would be expended for furniture, &c. The total cost would be less than Rs. 2,000, and this circle contribution to the Masulipatam School is Rs. 2,080.

ENCLOSURE No. 2 to Board's General Received Register No. 3,337 of 1881—Statement details showing of charges of Local Fund Schools in the Guntūr Circle for 1881-82.

ENCLOSURE No. 3 to Board's General Received Register No. 3,337 of 1881—Statement showing the alterations to be made in the Local Fund Budget of the Guntūr Circle for 1881-82.

Resolution—

THE Local Fund Budget of the Guntūr Circle for 1881-82 will be printed and circulated to all officers concerned.

2. Paragraph 3 of the Government Order.—The President will report on the difference noticed by Government in this paragraph.

3. Paragraph 4 of the Government Order.—With his endorsement read above the President submits copy of a letter from the Vice-President, Local Fund Board,

Guntūr Circle, conveying the Resolution of the Local Fund Board to do away with two* Inspecting Schoolmasters (not the whole staff as originally proposed), and to appoint in their stead a Sub-Inspector on Rs. 60 a-month. The Inspecting Staff, as now revised, is estimated to cost Rs. 3,620, which will now be inserted in the budget.

4. The Local Fund Board, acting on the suggestion of the Director of Public Instruction, have also resolved to have a separate Normal School at Guntūr for their circle. The cost of the school is estimated at Rs. 1,920, which will be entered in the budget, and the contribution of Rs. 2,080 to the Normal School at Masulipatam struck out. The sanction of Government is requested for the establishment of the school in question subject to the remarks of the Director regarding the adequacy or otherwise of the allotment proposed. If the sanction now sought is accorded, the cost of the Masulipatam Normal School will have to be reduced and the contribution of Rs. 2,080 expunged from the budget of that circle which is now before Government.

5. In accordance with the concluding part of paragraph 2 of the Board's Proceedings, dated 2nd April 1881, No. 557, reviewing the Local Fund Budget of the Nellore Circle for 1881-82, the contribution of Rs. 590† from the funds of the Guntūr Circle for the upkeep of a small portion of the road from Inkole to Chinna Ganjam is struck out, and the sum of Rs. 470 has now been added to the allotment of Rs. 730 for the remaining portion‡ of the road. The work will now be shown in Part II of the Budget as the total of the two sums amounts to Rs. 1,200.

† Rs. 470 for the maintenance of the road.
„ 120 on account of Public Works Supervision and Tools and Plant.
