CURRENT No. 878

The Right Honourable Sir W. P. Adam, G.C.B.,
C.I.E. Governor in Council.

Your Excellency

I have the honor to enclose a memorial from the merchants and landlords residing in the Peria Collum Taluk, Madurai District, and in Permaad Territory, with regard to the present ruinous and dangerous condition of the Goudaloor ghant road.

I have the honor to submit that their description of the present state of the road is quite free from exaggeration and that unless instant measures are taken to repair the road before the setting in of the South West monsoon, traffic will be entirely stopped.

I have been in communication with the Collector of Madurai on the subject, who informed in his last letter, dated the 21st March, that Government have directed that the road should be inspected and a report made on its condition. But as the rainy season is so shortly approaching I have taken the liberty of addressing your Excellency on the subject and hope that your
