Supg. Engineer's Office, II Circle
Coimbatore, 1st July 1881.

From,

The Superintending Engineer
Second Circle.

To,

The Chief Engineer
D. W. D.

Sir,

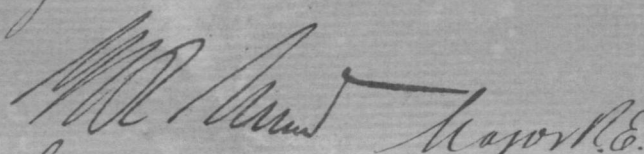

In G. O. No. 427 W dated
17th February Government approved
of my proposition that the 2 Apprentice
Overseers posted to the Chingleput Division
should be sent to such places as the Supg.
or Executive Engineer thought best
calculated to advance their training
and said that the travelling allowance
(without which of course these men
cannot be expected to move) would
be regulated by rules of the Civil
Department.

2. I have the honor to bring
to your notice that to date I have
not been able to find out what
travelling allowance these men
are

are entitled to. I am informed
by the Examiner that ~~in the~~
the Accountant General, in his
letter No. 1502 dated 23^d April to
the Secretary to Government, Edu-
cational Department, requested the
question might be referred to the
Government of India.

3. In consequence of the above
these 2 men have been detained
at the Mount and although have
inspected and seen works near
and made several Plans of
Building and Surveys are chiefly
employed in the Office in making
Plans, ^{Estimates} &c. &c. I would urge
that some decision on the point may
be obtained.

I have the honor to be,
Your Most Obedt. Servant
