

Supg. Engineer's Office II Circle

Coimbatore, 21st June 1881

No. 261

From

The Superintending Engineer,
II Circle.

To The Chief Engineer, P. W. D.
Madras.

Sir,

I have the honor to bring to your notice what I believe is an error in the Code and request should you agree with me that it may be corrected by a standing order.

In para 336 (a) Executive Engineers are authorized to sanction New Works to P. W. Buildings to the amount of Rs 200.

But in para 337 (a) they are only authorized to sanction repairs for other Department to the extent of Rs 200 and are not authorized to sanction repairs to P. W. Buildings at all.

As the Bengal Code

RS. 200 FOR EACH WORK!

Chapter III Section III para 85 gives
Executive Engineers Authority to Sanction
the repairs in question to the extent of
Rs 200 and as I can see no objection
to it I think the same powers with
regards to Repairs of P.W. Buildings
should be given to Executive Engineers
as they have for New Works to the
same class of buildings.

I have the honor to be,
Sir,
Your most Obedt Servant.
