Major M. C.
Supg Engineer, 2^d Regt -

Coimbatore, 7th July 1881

No. 288

From

The Superintending Engineer,
II Circle.

To

The Chief Engineer
P. W. D.
Madras.

Sir,

In para 3 of the G. O. No. 495 dated 23rd February 1881, I was ordered to submit a regular Estimate for the formal sanction of Government for repairing and strengthening the sea wall at Beypore, but I have the honor to inform you that an Estimate amounting to Rupees 747 was framed for the work and sanctioned by me after approval of the Master Attendant as the nature of the work was a Repair and as the amount of the Estimate was
