JUDICIAL DEPARTMENT.

1st July 1881, No. 1293.

Police.

Read the following paper:—

From Colonel C. S. HEARN, C.I.E., Inspector-General of Police, to the Officiating Chief Secretary to Government, dated Madras, 24th June 1881, No. 3633 [Current No. 1913].

I have the honor to forward, for sanction of Government, an estimate with specification report, &c., amounting to Rs. 1,338, for the construction of a new Police Station-house at Lapatchy in the Bellary District during 1881-82.

2. Funds to the extent of Rs. 755 were provided for the above work from the Police Budget grant for 1881-82, as the work was originally proposed to be done by the Police Department—vide G.O., No. 550, dated 29th March 1881, Financial Department. As the estimate now exceeds Rs. 1,000, it becomes a Department of Public Works work, but there being no Department of Public Works establishment provided in the district except the Bellary Cantonment (vide paragraph 2 of G.O., No. 2026 W., dated 27th August 1880), arrangement will therefore be made to carry out the work departmentally, the Superintendent being treated as imprest-holder under the Department of Public Works.

3. The Superintendent proposes to utilize this sum (Rs. 755) together with a sum of Rs. 150 provided for reconstruction of Station-house at Harpanahalli, the construction of which was already executed from the Repair Funds of 1880-81, and thus there will be a balance (Rs. 433) left, which may be provided for in 1882-83.

4. The site for the station-house has been secured.

ORDER THEREON, 1st July 1881, No. 1293.

Sanctioned. The work may be completed by the Police Department as proposed, the Superintendent being treated as an imprest-holder under the Executive Engineer.
