GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

15th July 1881, No. 1,747 W.

General.
Account.

Read the following paper :—

No. 27. From Colonel W. S. TREVOR, R.E., Deputy Secretary to the Government of India, Public Works Department, (Railway Traffic), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 1st July 1881, No. 786 R.T.

I AM directed to acknowledge the receipt of your letter, No. 1,012 W., Buildings and Roads, Civil Works, dated 20th April 1881, forwarding, for the consideration of the Government of India, with the opinion of the Right Honorable the Governor in Council thereon, correspondence relative to a claim of Rs. 73,418-9-2 made by the Madras Railway Company against the Madras Harbour Works on account of depreciation of rolling stock employed in conveying stone for the works.

2. In reply I am to state that, in the opinion of His Excellency the Governor-General in Council, the question, as gathered from the correspondence, does not appear to have any connection with the depreciation of rolling stock, but is one that affects traffic only. And the Madras Harbour Works having failed in its part of the agreement to supply the traffic, for which a special rate had been conceded by the Railway Company, the latter has an undoubted right to charge full tariff rates for the carriage of the stone in lieu of the special rate previously agreed to.

3. An adjustment should be made on this basis.
