To

The District Engineer,
Presidency.

Sir,

I have the honor to apply for the undermentioned work much required for the work shop in this Arsenal.

There is a fine covered verandah along the front of the shop. I want the flooring of asphalt under this verandah. I also wish it enclosed with a low wall railing and gate.

The low wall is required to keep out the wet which in rainy weather runs in from the yard the railings are needed for security.

The Warrant Officer in charge of the work shop will at any time explain on the spot what is required.

I have &c. &c.
