SIR,

In reference to G.O. Madras No 1474W dated 13th June 1881, (Proceedings of Madras Government No 27, 28 June) sanctioning the construction of a Wash-house for the European Non-Commissioned officers of the "B.O." St. M., I have the honor to request that, with a view, to employ profitably the men of so many Companies just now at Heads Quarters, during the next 4 months, Government may be asked to sanction at once a small grant say Rupees 50/- towards the purchase of Lime and Timber for the new Wash-houses. As ordinary practice (and employing my own carts and the present labor at my disposal) I can quarry stone & make up Trusses & doors at no extra expense to Government. Otherwise I shall have some difficulty in finding employment for men not absolutely under instruction.
