Recd 1 July 1881

From.

The Acting Superintendent of works
Kistna.

To

The Chief Engineer.
For Irrigation
Madras.

Sir,

I have the honor to invite attention
in the E.D. Office to my letter No 154. of the 14th April last, and
to the revised Statements for Establishments, &c.
which accompanied it, and to request that you
will be so good as to obtain the early orders
of Government on the same.

The Executive Engineer in charge of the
Eastern Division reports that he has a very
large amount of Draughtsmen's work to do,
and it is already much in arrears and that
unless the permanent additional Draughtsmen
applied for by me, or a temporary Draughtsman
be shortly sanctioned he sees no hope of being
able to clear off the work.

Under these Circumstances I trust that
the sanction of Government will be obtained
for the entertainment of a Draughtsman for
the Eastern Division Office, in anticipation to
the passing of Orders on the papers sent in
by me with my letter quoted above.

I have the honor to be,

Sir,

Your most Obedient Servant.

S. D. Wilson.

Acting Superintendent of works,
Ristna.

Re. 10. E.W.

Transferred to the Chief Engineer P.W.D. for disposal. It is probable that an additional temporary draughtsman is required in the Office of the Eastern Delta D^y and the entertainment of one for 6 months is recommended for sanction.
