GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

25th July 1881, No. 1,815 W.

General.
Account.

Read the following papers :—

No. 52. Endorsement of the Superintending Engineer, First Circle, dated 13th July 1881, No. 883.

From Captain D. McNEIL CAMPBELL, R.E., Executive Engineer, Sungum Project Division, to the Superintending Engineer, First Circle, dated 4th July 1881, No. 7.

As it is necessary for my office to remain in Nellore till such time as I can provide proper accommodation at Sungum, which will probably not be for several months, I have been obliged to rent a building.

2. The building is a bungalow attached to the house which I have taken for myself, and the rent is Rs. 30 a month. Rent is very high in this place, and the sum I have to pay for my house and the bungalow (proposed for an office) attached, is Rs. 107 a month. The bungalow is so small that at least one room in my house will have to be used for keeping stationery, instruments, &c., and for one or more of the clerks to work in.

3. This being the case I consider that I can fairly claim Rs. 40 a month as office rent as an exceptional case under paragraph 890 of the Public Works Code, and I request that you will obtain sanction for this.

4. I may mention that there is no other building in Nellore at all suitable for an office, the rent of which is less than Rs. 50 a month.

SUBMITTED to the Chief Engineer, Public Works Department, with the recommendation that under paragraph 890 of the Code, a rent of Rs. 40 may be allowed to the Executive Engineer.

(Signed) H. L. PRENDERGAST, Lieut.-Col., R.E.,
Superintending Engineer, First Circle.

No. 53. ORDER THEREON, 25th July 1881, No. 1,815 W.

RENT may be charged at the rate of Rs. 40 per mensem under the circumstances explained.
