To

The CONSULTING ENGINEER FOR RAILWAYS,

MADRAS.

Sir,

Your letter No. 456 of the 18th ultimo. I find that the pavement referred to consists of bricks (not built together) laid upon the ground near the river. I have given orders for their removal, and Coal shall not in future be stacked east of the Company's boundary.

Sir,

With reference to G.O. No 836 W dated
28th March 1881, I have the honor to forward
a List showing the *lop* by the sale of certain
materials at site of work of Improvements
to Gun Powder Factory. The *lop* incurred by
the sale viz: 6431.15.9 has been debited to
the said work under an additional sub-
head, "Lop by sale". This amount will
be applied for when necessary, as per
para 18 of the Committee's Report printed
with G.O. No. 914 W of 4th April 1881.

The material at site of the work of
"constructing Garrison Gymnasium at
Bangalore" has been transferred to the
Stock Account as per para 1343 of the
M.R. Code.

With reference to para 2 of G.O.
under

under reply, I have the honor to state that the sum of Rs. 1000/- was deposited by Anthiappa Chetty & Co. for the supply of Teak wood to this Department for the year 1877-78. There was some dispute between Anthiappa Chetty and his partner Rama Rao, and the latter sent a letter to the effect that this Department should not make payments due to the Firm. Copy of this letter dated 14th January 1878 is enclosed. The other partner Anthiappa Chetty applied for the security on the 11th October 1878. The whole of the papers connected with the subject was thereupon sent to the Government Solicitor from whose reply (copy enclosed) it will be observed that the security should be returned only upon receipt signed by the two partners. I have sent a copy of the Government Solicitor's letter with my endorsement thereon to Anthiappa Chetty & Co., but up to this date nothing has been heard from them: hence the delay in adjusting this amount.

I also forward herewith a List
showing

showing the loss by the sale of certain articles borne in the Stock Return of the Presidency Division, and to request orders for writing them off to "Profit and Loss" in the Books of this Office.

The amount due by Messrs Bennett and Hall to Government on account of burnt chumam shells supplied are irrecoverable, as will be seen from the enclosed correspondence ending with a letter No. 157 of 2^d April 1880 from the Government Solicitor, hence I would suggest that the amount be debited to the Profits of the Government Lime Kilns.

The payment of the sum of Rs. 1471. 15. 10 due to Messrs Somoo Chetty & Co. on account of charcoal supplied by them to the Govt. Lime Kilns was withheld by Lt. Col. John Goddard R.E. then in charge of the Presidency district - the Contractors having failed to supply charcoal as per conditions of their Agreement; one of the contractors named Messrs Somoo Chetty has since died, leaving a minor son, and the other partner Veeraswamy Naidu is not to be found. I addressed the Government Solicitor for advice as to the course

course that should be adopted regarding the
adjustment of this sum of Rs 1471-15-10
due to them, a copy of his reply is herewith
forwarded.
