GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

26th July 1881, No. 1,836 W.

General.
Establishment.

Read the following paper:—

No. 60. Endorsement of the Financial Department, dated 16th July 1881, No. 1,238.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, Madras, to the Chief Secretary to Government, Financial Department, dated Fort St. George, 13th July 1881, No. 993 L.F.D.

* President's explanation on Auditor's objection, dated 17th May 1881, drawing attention to the fact of no recovery having been made from Mr. B. Stephens and Adakalam Pillay.
Letter No. 27 of 27th April 1881, from Acting Commissioner, Nilgiris, to this Office.
Letter No. 936 L.F.D. of 9th June 1881, from Auditor, Local Fund Accounts, to President, Local Fund Boards, South Arcot, and his reply No. 45 of 27th June 1881.

I HAVE the honor to submit copies of communications from the Presidents of the Nilgiris, South Arcot, and Coimbatore* Local Fund Boards as noted in the margin for such action as the Government may see fit to take.

From N. A. ROUPELL, Esq., Acting Commissioner, Nilgiris, to the Accountant-General, Madras, dated Ootacamund, 27th April 1881, No. 37.

ADVERTING to your circular No. 42 of the 14th December last directing the recovery of 6 per cent. on the bonuses paid to the late employes of the Public Works Department in the event of their obtaining employment under Local Fund Boards, I have the honor to inform you that this treasury debited the Local Fund Board with the sum recoverable monthly, leaving the matter of the actual recovery from the officer concerned to be settled between the Board and its subordinates.

2. Mr. J. O'Shaughnessy now objects to this. Extract from his letter No. 218, dated 19th February 1881, embodying his remarks on the point are enclosed. Mr. O'Shaughnessy repudiates the claim in toto and it certainly is not for the Local Fund Board to meet it.

From J. O'SHAUGHNESSY, Esq., c.e., Local Fund Engineer, Nilgiri District, to the President, Local Fund Board, Nilgiris, dated Ootacamund, 19th February 1881, No. 218.

In reference to the deduction of Rs. 30 from my salary bills for December and January last as directed by the Accountant-General in his circular No. 42, communicated to me with your endorsement, dated the 7th instant, I beg to observe that in the papers printed with Government Order, Financial Department, dated the 17th November 1880, No. 2,136, it is clearly laid down and admitted by the Accountant-General that he "has no direct control over the fund except in regard to audit." The Local Fund Board are not bound to receive instructions from the Accountant-General, the Comptroller-General or from Treasury Officers regarding the disposal of their funds, and it seems to me outside their province altogether to be constituted bailiffs for the collection of debt claimed by Government.

Personally I repudiate the claim in toto; but if Government persist in making it, it should be made in a Court of law and not by the agency of a Local Fund Board.

There is also another view of the matter which I would respectfully urge on the Board and that is the legality of unenforceable compliance with the wishes of the Accountant-General or Treasury Officer.

From R. C. CHAPMAN, Esq., Auditor, Local Fund Accounts, to the President, Local Fund Board, South Arcot, dated 9th June 1881, No. 936 L.F.D.

With reference to the explanation noted against the last remark in my objection statement on the Public Works Accounts of the South Arcot Circle for the month of January last, I have the honor to observe that, in addition to the amount therein shown as having been recovered from the Local Fund Engineer, a further sum of Rs 1,418-5-4 is due from that officer under the instructions of the Government of India embodied in the Proceedings of the Madras Government, No. 5,062, dated 10th August 1880, which instructions must be considered as having retrospective effect from the date on which Mr. Norfor entered the service of your Local Fund Board and as applying to pension as well as bonus.

The amount noted above is made up as follows:—

	RS.	A.	P.
On account of pension drawn for five months at Rs. 166-10-8...	833	5	4
Interest on bonus at 6 per cent. for fifteen months at Rs 39 per month ...	585	0	0
Any subordinate members of your engineering establishment to whose cases the Government of India instructions apply must be similarly dealt with.			

The following are the names of those to whom the instructions in question apply:—

C. Doraswamy Mudali, Local Fund Interest on bonus at 6 per cent. for 5 months and 7 days from 25th October 1880 to March 1881 at Rs. A. P.
Overseer, Villupuram. Rs. 1-3-2½ a month ... 6 4 4

C. Chengalvaraya Mudali, Account- Interest on bonus at 6 per cent. for 14 months and 8 days from 21st February 1880 to April 1881 at Rs. 0-10-9½ a month ... 9 10 6

The amount owing in either case is noted against the name.

I request that you will be good enough to inform me of the course you intend taking in the matter of these recoveries.

The recovery of the amount due from Mr. Norfor may be effected by means of monthly instalment of one-third salary, i.e., Rs. 166-10-8.

From A. CRUICKSHANK, Esq., President of the Local Fund Board, South Arcot Circle, to the Auditor, Local Fund Accounts, dated Cuddalore, 27th June 1881, No. 45.

With reference to your letter of the 9th instant, No. 936 L.F.D., requiring me to inform you of the course I intend to take in the matter of the recoveries referred to from the salaries of certain retired Public Works Department Officers who were re-employed by the Local Fund Board, I have the honor to forward herewith copy of a resolution passed by the South Arcot Circle Board on the subject. The Revenue Board have been addressed in the matter.

Extract from the Proceedings of the Local Fund Board, South Arcot Circle, passed at a meeting held at Cuddalore on the 25th June 1881.

26. Read the following papers:—

Proceedings of the Board of Revenue, dated 26th October 1880, miscellaneous No. 11,793, communicating Government Order embodying correspondence from the Government of India regarding the employment by Local Fund Boards of officers of the Public Works Department and of those who have retired from the service on pension.

President's letter to the Engineer, dated 23rd April, No. 139, forwarding a statement explaining the action to be taken on paragraphs 5 and 2 of letters of Government of India, and requesting to be informed which of the courses therein laid down he and such of his subordinates as were in the Public Works Department elect.

Letters from the Local Fund Engineer, dated 25th April, No. 36, declining to refund the pension and bonus drawn by him or to allow percentage deductions on account of bonus, and stating that the replies from the subordinates will be sent on their receipt.

Letters from the Local Fund Engineer, dated 24th ultimo, No. 118, objecting to any diminution of pay on account of 6 per cent. deduction on the bonus received by him, and requesting to lay his letter No. 36 before the Local Fund Board.

Letter from the same officer, dated 24th May, No. 119, requesting the consideration of the Board to the fact that he was engaged on a definite salary and that Rs. 39 have been withheld,

and giving notice that he intends to sue the Board for the recovery of that amount as well as that of all future deductions if it is not made good within three months.

Letter from the same officer, dated 6th instant, No. 158, requesting that his pay may be raised to Rs. 650 per mensem in consideration of the extent and responsibility of his charge.

Letter from the Auditor of Local Fund Accounts of the 9th instant, No. 936, requesting to recover monthly one-third of the pay of the Engineer on account of pension drawn by him for five months and the interest on bonus for fifteen months, and certain amounts from two of his subordinates.

Letter from the Local Fund Engineer, dated 15th instant, No. B/21 protesting against any action being taken by the President in compliance with the Auditor's suggestion that one-third pay should be recovered.

President's letter to the Local Fund Engineer of the 16th instant, No. 31, informing with remarks that all his letters and papers on the subjects referred to by him in his letter No. B/21 will be laid before the Board at their next meeting.

Letter from the Local Fund Engineer, dated 17th instant, No. 185, informing that a reduction of one-third pay is a large proportion, and requesting that Rs. 100 may be fixed as stoppage if the reduction is absolutely unavoidable, and stating that he will pay this amount under protest.

The Board is of opinion that they cannot carry out the instructions conveyed in the order of the Government of India, dated 15th July 1880, as they are unjust and illegal, and requests that the President will not make any further deductions and will take steps to have the sums already deducted refunded.

(Signed) A. CRUICKSHANK,
President, Local Fund Board.

SCHEDULE OF EXPENDITURE. ESTABLISHMENT. From the vouchers submitted in support of the establishment charges it does not appear that any recovery was made from Mr. B. Stephens and M. N. Adaikalam Pillay on account of interest on bonus received by them under Accountant-General's Circular No. 42 of 14th December 1880. Please explain the omission to recover in this case as well as in the case of any other employes similarly circumstanced. (Signed) E. M. PALMER, for Auditor, Local Fund Accounts.	In submitting for orders of Government a reference made from this office regarding the pension and gratuities granted to Department Public Works servants, the Board of Revenue, in their Proceedings, dated 11th February 1881, No. 241, remark as follows:— "The question of withdrawing from Local Fund Engineers and others the pensions and gratuities granted upon their retirement from the Public Works Department has been referred for the consideration of the Government of India, and Government may be disposed to allow this reference to remain undisposed of pending final orders from the Supreme Government." Hence no recovery was made on the salary bills of the engineering establishment. (Signed) W. WILSON, President, Local Fund Board, Coimbatore. SATYAMUNGALUM, 10th June 1881.

SIR,—In continuation of the correspondence ending with your letter, No. 914 G, dated 4th July 1881, I am directed to forward, for the information of the Government of India, the accompanying correspondence on the subject of deductions from the pay of Local Fund servants retired from the Government service under the operation of the retrenchment resolution of 1879.

2. It will be observed from these papers that Local Fund Boards object to make the recoveries ordered by the Government of India, and that legal proceedings against the Boards are threatened by the persons affected. I am to point out that it seems desirable under these circumstances that an early and final decision on the general question should be communicated.

SIR,

With reference to the explanation noted against the last remark in my objection statement on the Public Works Accounts of the South Arcot Circle for the month of January last, I have the honor to observe that in addition to the amount therein shown as having been received from the Local Fund Engineer, a further sum of Rs 1418-5-4 is due from that Officer under the instructions of the Government of India embodied in the Proceedings of the Madras Government No 5062 dated 10th August 1880 which instructions must be considered as having retrospective effect from the date on which Mr. Porfir entered the service of your Local Fund Board and as applying to Pension as well as Bonus.

The amount noted above is made up as follows.

On account of Pension drawn for 5 months at Rs 166-10-8 3833-5-4

An Incl: 1831

ending with your letter
No 914, G, dated 1st July
1881, I am directed to
forward for the in-
formation of the
Government of India
the accompanying
correspondence on the
subject of deductions
from the pay of Local
Land servants retired
from the Government
service under the
operation of the
Retrenchment Resolu-
tion of 1872.

2. It will be observed
from these papers
that Local Land Boards
object

12
object to make the
recoveries ¹⁸⁷⁶ ~~1876~~ ¹⁸⁷⁶ by
the Government of
India. and that
legal proceedings against
the Boards are
threatened by the
persons affected.

I am to point out
that it seems desirable
under those circumstances
that an early and
final decision on the
general question should
be communicated.
