No. 65. From the Superintendent, Madras Harbour Works, dated 18th July 1881,
No. 27 W.

No. 65-A. Endorsement of the Examiner of Public Works Accounts on the above

No. 66. ORDER THEREON, 27th July 1881, No. 1,844 W.

SEEING that the six months' leave recommended on behalf of Mr. Lowe will bring his service beyond the extended term of eighteen months sanctioned by the Secretary of State, the Honorable the Governor in Council considers that the best arrangement under the circumstances will be to consider Mr. Lowe's connection with the Harbour Works to have ended from the date of his departure to England. And, as a final settlement, the Honorable the Governor in Council sanctions—

(1) the grant of a free passage to Europe (second-class),

(2) a gratuity proportionate to the sum of Rs. 1,000 he was to have received had he completed his eighteen months' additional service.

2. This arrangement will admit of Mr. Thorowgood at once making arrangements to replace Mr. Lowe by a suitable man, should one be procurable.

3. At the hottest time of this year, namely in May, he was again ordered away by the Surgeon of the district. But this time the hills have failed to restore him, and he must go to England at once.

4. He has devoted his whole strength of body and mind to the service of Government in prosecuting this work, and now that it is on the eve of completion he has to go home a perfect wreck. I need hardly say that we all feel this deeply.

5. He has been recommended home for 6 months and I therefore ask for 6 months leave for him on Medical certificate, herewith forwarded.

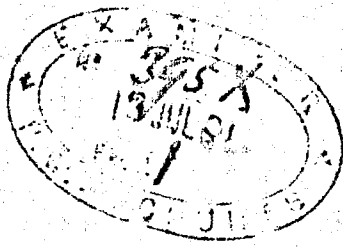

forwarded. It is useless however to be blind to his ^{present} state, which makes it very unlikely that he will be thoroughly well in 6 months' time.

6. Pending Government approval I have ventured to take a 2nd class passage for Mr. Lowe in the "Deccan" sailing tomorrow as he is entitled to a free passage home on completing his service. He did complete his first term of service in June 1880, but he was re-engaged till December 1881. The terms of his departure or the nature of his leave can be settled afterwards, my present object is only to ask for the 6 months' leave on his behalf and

It is not clear under what
circumstances 6 months' leave
has been asked for on behalf of
Mr. Lewis. Mr. Lewis' services
were, under approval of the
Secretary of State, re-engaged for
a further period of 6 months,
which period will expire by
end of December next, i.e., in
about 5 months, and therefore
if the six months' leave is
sanctioned, the term of his
re-engagement will be exceeded.
Further, under Civil Service Code
Section 127 Rules, the rule contained
in which has been made applicable
to the employees in the Madras
Harbour Works, Mr. Lewis appears
to be entitled to a 6 months' leave
on the same as Medical Cer-
tificate, provided that no
substitute is considered necessary.

No mention was made in the
G.O. which dealt with Mr. Lewis
re-engagement about a year
ago.

passage home, but with reference
to the articles of his agreement
with the Secretary of State dated
20th July 1891 it would appear
that on his connection with the
Madras Harbor Works coming to
close, either through ill health
or on the completion of his full
term of service, he is entitled to
a free second class passage
home.

I, D. R. Thompson M.D. Surgeon, 1st District,
do hereby certify on honor, that G. W. Lowe, General Foreman
Madras Harbor Works
is in a bad state of health, and I sincerely declare that according to the best of my
judgment a change of air to England is essentially necessary to his
recovery, and that the circumstances of his case are such as to render leave
of absence for a period of six months ^{absolutely necessary} ~~highly desirable~~ ad 27

The Board in C
has decided the best
arrangement in this
case will be to consider
Mr. Bowe's connection
with the Harbour works
to have ceased from the
fact that the 6 months
leave now found essential
to restore him to health
would run some time
beyond the extended
term of 18 months; and
as a final settlement
to sanction

- (1) his free passage to
Europe
- (2) A gratuity proportional
to the Rs 1000 which
he was to have received

had completed
his 18 months additional
Service.

This arrangement will
admit of Mr. Thompson
at once making arrangements
to replace Mr. Lane by
a suitable man, & if
he can find such

to create him to make
