Sir,

The new Layer Cutcherry and toll gate at Valdavoor sanctioned in G.O. No. 1663 W of 14 July 1880 having been completed last official year at an outlay of Rs 1304, it is being now occupied by the Layer Superintendent. I have the honor to request as to the disposal of the old vacated building which is borne on our returns.

2 The collector in asking me in his letter No. 120 of the 9th instant, to take charge of the vacated building, proposes that it may be used as a village Chavady for the village Munsiiff to hold his office in, and has also desired me to lay this proposal before Government. It is observed that the Munsiiff undertakes to repair the building himself.
