Trichinopoly

From

Colonel W. Osborn
Commanding Trichinopoly

To the

Superintending Engineer
Trichinopoly

Sir

With reference to my letter No 79
dated the 5th inst and your No 475 T.C.
dated 7th idem I have the honor to
inform you that I have received a
letter from the Asst. Adj. General for
Muzetry asking when the 3rd range
will be completed.

I was unable to give him any sat-
isfactory reply as the work has not
yet been commenced.

I would again urge upon you the
urgency of this work.

The ranges are even at this season of
the year in constant use and when
the annual muzetry course
commences the Regiment will ex-
perience great inconvenience
unless the 3rd range is finished
first.

I shall be much obliged if you will
bring this work prominently
