2. The opening balance of the Regular Estimate, as revised by the Board of Revenue, will be adopted subject to the remarks made in the reviews of the budgets which have already come before Government regarding the difference between the President's and the Accountant-General's accounts and the necessity of furnishing particulars in the latter. The Board of Revenue propose to reserve the Road Fund opening balance of Rs. 50,100 for the adjustment of famine expenditure, and to omit the amount from the accounts altogether. The Government cannot approve of the exclusion of the figures from the accounts; the amount will be carried forward in the Regular Estimate as opening balance and shown as a charge under Grant I. The expediency of providing for so large a payment in one year may be questioned, especially in the absence of information regarding the extent of the liability to be met; but, as the funds of the circle are not much crippled by the proposed payment, the item will stand. The error regarding the Land Cess estimate noticed by the Board of Revenue appears to be owing to the average demand for the last few years being shown in the Regular Estimate instead of the actual demand for 1880-81. The realization of about a fourth only of the arrears demand is unsatisfactory. The Board of Revenue will direct attention to these arrears and enforce their speedy adjustment. The decrease in school-fees should be explained. In other respects the Regular Estimate as revised by the Board of Revenue is accepted, except that the item "Normal School" should have been shown separately under Grant II instead of being included under Miscellaneous.

3. No information is furnished to enable Government to judge of the correctness of the Land Cess estimate for 1881-82, the demand of the year not being known.

4. The allotment for New Works as revised by the Board of Revenue is approved. The provision for Education has been fully reported on by the Director of Public Instruction. The increase of 5 rupees to one of the Inspecting Schoolmasters is sanctioned. The provision for Hospitals and other Medical charges, referred to in paragraph 18 of the Board's Proceedings, is approved and sanctioned, subject to such alterations as may be found necessary on consideration of the Surgeon-General's report, which should have been submitted before this. The increase in the sanitation charges is noted. The cost of maintaining the existing bungalows, including provision for their repair, amounts to Rs. 2,310; while the income expected from them is only Rs. 600.

5. With the above remarks, the Right Honorable the Governor in Council passes the Budget of the Nellore Local Fund Board for 1881-82.

(True Extract.)

(Signed) R. DAVIDSON,
Chief Secretary.

Resolution—

THE Local Fund Budget of the Nellore Circle for 1881-82 is herewith circulated to all officers concerned.

2. *Paragraph 2 of the Government Order.*—With reference to the remark of Government questioning the expediency of reserving, for the adjustment of famine expenditure, so large a sum as Rs. 50,100 in one year, the Board observe that, according to the latest return submitted by the Examiner of Public Works Accounts, the amount of famine liability against the Nellore Circle is Rs. 2,53,365, and that therefore the Board reserved the amount in question in accordance with paragraph 2 of the G.O., Financial Department, dated 8th November 1880, No. 2,074.

3. The President will give his immediate attention to the remarks of Government regarding the tardy collections from land cess, and he is requested to adopt stringent measures for the prompt realization of the arrears. He will also explain the cause of decrease in school-fees, the explanation furnished in the column of remarks of the Regular Estimate not being intelligible.

4. *Paragraph 3 of the Government Order.*—The President will in future invariably append a note to the foot of Statement I-A of the Budget showing the demand, collection, and balance of land cess.

5. *Paragraph 4 of the Government Order.*—In his letter, dated 23rd April 1881, No. 2,332, the Surgeon-General with the Government of Madras stated that the cause of the non-submission of his remarks on the Nellore Circle Budget in the present instance, as well as in the past year was due to the Ongole Dispensary having been transferred to the Municipality at that place and to the omission of particulars in Statement IV-A and promised to report on receipt of the statement which has been called for by the Board. The attention of the President is drawn to paragraph 18 of the Board's Proceedings, dated 2nd April 1881, No. 557, and he is requested to submit, without further delay, the statement therein asked for with the necessary information, furnishing at the same time copies thereof to the Surgeon-General.

Acting Sub-Secretary.

MEMORANDUM.

Current No. 4498.

Letter Number 499.

dated the 29th July 1881.

from the President, Local Fund Board, - Vizagapatam.

Note of Remarks.

The Revised Estimate with Survey & Specification for Constructing a Road (including masonry work) from Salur to the foot of the new Pottingly Ghaut at Itty Kavalsa in the Vizagapatam Division, amounting to Rs. 14,441 - or Rs 1091 - in excess of the Original Estimate.

The Amount of the Estimate originally sanctioned for the work was Rs. 13350 - Vide G.O. No 2586 W. d/10th Novr. 1880.

The Cause of the revision is explained in the Local Fund Eng^s letter No. 98. d/7th July 1881.

A Comparative Statement showing the difference between the Original & Revised Estimates should be submitted.

The Ratio agree with the data furnished.

The Board has permitted the L. F. Eng^s to proceed with the work according to the Revised Estimate in Anticipation of the sanction of Govt.

The Survey & Estimates have been approved of & countersigned by the President Local Fund Board.

10th August 1881.
