Walls &c at the Channel. In
October 1879 a Contractor claimed
payment for the Stone and on the
recommendation of Captain Awdry
Major Montgomeri directed it
should be paid for and placed on
Stock. On the 22nd May 1880 Mr.
Malet then in Charge of the
Division reported in a Statement
of Stock Articles that this Stone
would be used up in building wing
Walls &c. Now Mr. Hannan brings
to notice that he cannot in any
way dispose of, or utilize the Stone
in question, and requests sanction
to the value thereof being written off
the books. I therefore recommend
that Sanction may accordingly
be granted as there is no prospect

of

of its being sold or otherwise
utilized.

I have the honor to be,
Sir,
