SIR,

I have the honor to bring to the notice of Government, that Apprentices Moorogasen, Narasimooloo, and Loospen, who were employed in the Foundry here, have left their employment. Of Loospen nothing is known; but the other two having learned a little English, in compliance with G.O. No. 4464 W. dated 23rd November, 1878, have determined to seek situations as clerks, to which position they consider their accomplishments entitle them.

2. I have, therefore, with Mr. Baddley's approval, employed the following Boys - Davarajoo, Rajoo, & Loosproosawmy as Apprentices from July, 1881.

3. These Boys cannot read, but they have promised to commence their studies immediately, and to pass the required examination when called upon.

be accorded, I would defer this examination
until they have served two Years, lest
their knowledge of English ~~has~~ should
tempt them to be clerks.
