In G.O. No. 2306 N of 4th October last sanction was given to the construction of a block of two strong cottages for violent patients at the Madras Lunatic Asylum, the plan and estimate for which were sanctioned in G.O. No. 439 of 7th February 1877. While steps were being taken towards commencing the work, the Surgeon General with the Government of Madras gave intimation that the existing circumstances did not render the construction of the strong cottages necessary and subsequently, with reference to ^{Memorandum} Proceedings of Government in the P.W. Dept. No. 2647 of 26th Nov.

1880

1880, called for plans and estimate for
erecting, in lieu of the strong cottages,
two additional rooms for Europeans and
East Indians of the better class and
two additional rooms in the women's
enclosure for the same class of patients
as proposed in para 5 of his letter to
Government, No: 501 of 8th November 1880.

A plan and estimate of Rs 6940
for a block of two rooms for Males and
a similar block for Females were ac-
cordingly prepared and have been ap-
proved by the Surgeon General. I have
the honor to submit the same for the
orders of Government.
