Post office building at Parakondah and request that you will be so good as to accord sanction to the measure.

The necessity for building a Post office at Parakondah has already been represented in my No. 1852 dated 23rd March 1878 in which it was proposed to convert the Temple into a Post office at that Station and the proposal was sanctioned in your No. 351 dated 8th April 1878. But as the Madras Government declined sanctioning the measure it has become necessary to submit a new proposal in view to the provision of suitable accommodation for the Post office in question.

Copy of a Communication from the Director General of the Post Office of India to the Postmaster General Madras No. 3286 dated Simla the 17th July 1879.

In returning the plan and Estimate for construction of a sixth class Post office at Parakondah received with your letter

No. A 178 dated 4th July 1879, I beg to state that funds are not available in the grant for minor works for the current year to provide for the cost of this building. It must therefore of necessity be postponed till the ensuing year.
