PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th June 1881.

No. 1,173.

Read—the following Brd.'s Gen. Reg. No. 4,416 of 1881—Letter from P. H. BROWN, Esq., C.E., Local Fund Engineer, Cocanada Circle, to the President of the Local Fund Boards, Godáviri District, dated Cocanada, 9th May 1881, No. 325; and Endorsement by W. S. FORSTER, Esq., President of the Local Fund Boards, Godáviri District, dated Cocanada, 28th May 1881, No. 38:—

Letter—

SINCE obtaining sanction for the repairs of the Sámalkót road at a cost of Rs. 19,940, I have found by actual experiment that the gravel proposed to be used from new quarries at Sámalkót is quite unfit for the heavy traffic on this road. I therefore propose to bring all the gravel from Kadiam only using metal in a few places. There will be a saving on this of Rs. 1,000, and I am of opinion that the road will be harder and better. The traffic on this piece of road is very great and the Sámalkót gravel is quite unfit to bear it.

2. I have the honor to request your sanction for the revised estimate.

ENCLOSURE No. 1 to the above.

COPY of a Resolution passed by the Local Fund Board of the Cocanada Circle at their Meeting held at Cocanada on the 25th May 1881.

28. Read letter from the Local Fund Engineer, Cocanada Circle, dated 9th instant, No. 325, forwarding a revised estimate, amounting to Rs. 18,537, for the repairs of the road from Sámalkót to Cocanada. Passed.

SUBMITTED to the Board of Revenue for sanction of the revised estimate, amounting to Rs. 18,537, in lieu of one already sanctioned—*vide* Board's Proceedings, dated 16th March last, Miscellaneous No. 2,753.

2. The Local Fund Board of the Cocanada Circle have passed the revised estimate at their meeting held on the 25th instant. Copy of their resolution also is herein enclosed.

Resolution—

THE revised estimate, amounting to Rs. 18,537, for regravelling the road from Sámalkót to Cocanada is submitted for the sanction of Government.

2. The present estimate is in lieu of the original one for Rs. 19,940 sanctioned in G.O., Public Works Department, dated 22nd February 1881, No. 489-W. The cause of the revision is explained in the Local Fund Engineer's letter which accompanies the estimate.

3. The Board note that the estimate does not bear the countersignature of the President.

4. The attention of the President is drawn to No. 30 of the revised Local Fund Rules from which it will be seen that totals of estimates must always be in round numbers.
