4. It is thus observed that the demand for Imperial Other Services exceeds the grant for those services for 1880-81 by Rs. 12,06,311, whereas financial requirements make it absolutely necessary that the grant for the ensuing official year should not be more than Rs. 29,52,490, or Rs. 9,99,591 less than the demands made. Some of the demands must, therefore, be reduced; and the following sums only have been allotted to the Provinces named :—

	RS.

In Public Works Department No. 386 A.—G., dated 8th September 1880, the Government of Madras was informed that the Government of India would have no objection to provision being made in the Postal, Telegraph, Salt and Marine budget-estimates for outlay on petty construction and repair of civil buildings costing under Rs. 1,000 each, provided the Heads of the Departments concerned agreed to the procedure. The Director-General of Post Offices having objected to this proposal, the procedure hitherto followed regarding postal buildings must be continued.

From the demand for Repairs a sum of Rs. 6,000 on account of the Vedarniem Canal has been disallowed, as the work is a provincial one (*vide* letter from the Government of Madras, No. 1,742 W., dated 1st July 1879). Further, the Vedarniem Canal cannot be shown as an Other Services work, but should be provided* for in the Provincial Irrigation and Navigation Budget.

* Circular No. V P.W., dated 18th January 1880.

6. The grants herein allowed include provision for expenditure in England on stores for works classed under Other Services. The budget estimates should be prepared accordingly and submitted so as to reach this office punctually on 15th January 1881.

ORDER.—Ordered, that this Resolution be communicated to the several Govern-

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department, General Branch.
The Chief Commissioners, Central Provinces, Coorg and Assam.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India and Rajputana.
The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands.
The Agent, Governor-General, Biluchistan.

ments and Administrations noted in the margin, to the Director-General of Telegraphs, the Director-General of Post Offices, and Inspector-

General of Military Works for information and guidance.

Ordered also, that a copy be forwarded to the Department of Finance and Commerce and the Military Department for information.

(Signed) A. FRASER, Major-Genl., R.E.,
Secretary to the Govt. of India.

No. 15. ORDER THEREON, 2nd December 1880, No. 2,779 W.

In the above Resolution the Government of India make the following assignment for Imperial Other Services for 1881-82 :—

	Major Works.	Minor Works.	Repairs.	Establishment.	Tools and Plant.	Total.

	2,23,656	20,000	16,000	64,914	6,491	3,31,061

2. Under Postal Works the Government of India have disallowed the amounts applied for the accommodation required for the Railway Mail Service at Madura, and the new Post Office at Cocanada, and have reduced the grant applied for Minor Works by Rs. 3,755.

3. The grant applied for Major Works under Telegraph has been passed, but that applied for Minor Works has been reduced by Rs. 2,000.

4. Under Salt the amounts applied for the works noted in the margin have been disallowed. The Pulyankal catch-drain at Merkanam having been reported as completed, the amount (Rs. 4,502) allowed for it by the Government of India will, for the present, be added to the Minor Work grant under Salt. As the assignment made for Salt Works has been found insufficient, the Government of India have been separately addressed as to the desirability of increasing it.

5. The following distribution is made of the lump sums of Rs. 10,000 for Minor Works other than Postal and Telegraph, and Rs. 16,000 for Repairs Other Services :—
