Read the following papers:—

No. 56. Endorsement of the Chief Secretary to Government, Public Department, dated Ootacamund, 10th August 1881, No. 1,360.

From Brigadier-General H. O'CONNELL, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 4th July 1881, No. 823-4,471—Through Controller of Military Accounts.

I HAVE the honor, by order, to request the sanction of Government, for the employment of two watchmen, at Rs. 6 per mensem each, to look after the Pagoda in the Fort of Vellore, which has recently been restored by the Public Works Department under O.G., Public Works Department, 17th May 1880, No. 1,160 W., Military Department No. 3,378, dated 28th May 1880. The work being completed the Public Works Department wish to hand over charge of the building to the Military.

2. The Executive Engineer reports that some arrangement will be necessary to prevent people coming in at all times of the day and night and painting, chipping, or otherwise damaging the carvings, while provision should be made for respectable people who wish to see the temple. So long as the restorations were going on a watchman was employed by the Public Works Department and charged to the estimate, but this arrangement must cease when the building is handed over to the Military.

3. There is a well in the precincts which it is reported is much used by residents in the Fort, so that the gateway of the Pagoda has to be kept open, requiring constant watch over the restored building if it is to be preserved from injury; and for this purpose two watchmen are reported to be necessary.

4. The duty is not one suitable for a Military guard.

No. 56-A. From Lieutenant-Colonel M. C. PERREAU, Officiating Controller of Military Accounts, to the Acting Secretary to Government, Military Department, dated Fort St. George, 15th July 1881, B.

In forwarding the marginal application, I have the honor to state that no similar charge is at present incurred in the Military Department; and, as the watchmen are apparently sought as a permanent arrangement, the sanction of the Government of India would be required thereto.

2. I would respectfully submit that the charge is scarcely one for adjustment in the Military Department.

PUBLIC WORKS DEPARTMENT, 15th AUGUST 1881, No. 2,002 W.

No. 3,926.
