PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th July 1881.

No. 1,437.

Read—the following letter from J. B. PENNINGTON, Esq., President of the Local Fund Boards, Tinnevely, to the Secretary to the Board of Revenue, through the Deputy Chief Engineer, dated 23rd June 1881, No. 75; and Endorsement by Captain C. ENCLOSURE No. 1.

EXTRACT from the Proceedings of the Local Fund Board, Tinnevely Circle, dated 25th May 1881.

Read letter from the Sub-Collector, No. 152, dated 9th March 1881, forwarding an estimate for Rs. 13,000 for improving the road from Tuticorin to Ahtur.

Read also Local Fund Engineer's letter, No. 697, dated 23rd April 1881, forwarding a revised estimate for Rs. 6,730, prepared in accordance with the President's instructions given after personal inspection and the President's remarks thereon.

Sanctioned from the Road Fund balance.

Letter—

I HAVE the honor to forward an estimate for Rs. 6,730 for improving the road from Tuticorin to Ahtur and the Local Fund Board's Resolution, No. 11, dated 25th May last, and to request you will be good enough to obtain the sanction of the Board and Government for the same and for an allotment of Rs. 6,730 from the Road Fund balance of the current year.

2. The want of a good road to connect these two places is much felt by the inhabitants of that part of the country, and I satisfied myself after personal inspection that the parts of the road provided for are most urgently in need of repair to make it even passable.

3. In case the Board consider it inexpedient to allot funds from the balance I request you will be good enough to obtain sanction for the transfer of the amount required from the allotment of Rs. 16,000 provided in the current year's budget for making Road No. XI, no estimate having yet been received for that road, and there being no immediate prospect of the work being taken up.

APPENDICES Nos. 1 and 2.—Estimate and Specification Report.

Endorsement—

FORWARDED to the Board of Revenue. The estimate has been duly examined in this office.

Resolution—

THE estimate, amounting to Rs. 6,730, for improving the road from Tuticorin to Ahtur is submitted for the sanction of Government.

2. The necessity for the work in question is explained in paragraph 2 of the President's letter.
