Read the following paper :—

No. 77. From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Secretary to Government, Public Works Department, dated Ootacamund, 8th August 1881, No. 143.

In submitting the enclosed correspondence, received from the Superintendent of Prisons for the Town of Madras, together with an estimate, amounting to Rs. 500, for repairing the quarters of the Apothecary attached to the Penitentiary, I have the honor to state that hitherto all repairs have been executed by the Department of Public Works without reference to this department. The rent is recovered from the Apothecary for the use of the building, and the amount is credited to the Department of Public Works; but, if the amount of the present estimate is to form a charge against the Jail Budget, I consider that this department should be credited with the rent of the building. In any event I request you will be good enough to have these repairs carried out by the Superintendent of Works at the Presidency, as the repairs cannot be undertaken by the Superintendent of Prisons owing to extensive works being now in progress at the Penitentiary.

No. 78. ORDER THEREON, 18th August 1881, No. 2,043 W.

UNDER the arrangements at present in force all petty works of this character are carried out departmentally. The Jail Department should, therefore, execute the repairs in question from Petty Construction and Repair Funds, which will be provided in the Financial Department.
