GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

5th August 1881, No. 1562.

Registration.

Read the following paper :—

From G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated Ootacamund, 25th July 1881, No. 432 [Current No. 2242].

I have the honor to enclose a letter,* in original, from the Registrar of South Canara, and, for the reasons assigned by him, to request that instructions may be

* No. 126, dated 13th July 1881. issued in the Public Works Department for the preparation of plans and estimates for new Sub-Registry Offices at Karkal and Beltangudi and for a Registrar's Office at Mangalore.

2. I addressed the Government regarding Beltangudi on the 27th December 1880, and the Superintending Engineer, Second Circle, was required by G.O., Public Works Department, No. 120 W., 17th January 1881, to submit plan and estimate. The Registrar now says, "no steps seem to have as yet been taken for the construction of the building."

3. In my letter, No. 313, dated 29th May 1881, I said South Canara was one of the districts in which the Registrar was provided with accommodation in the Collector's Cutcherry. The Registrar now writes: "The accommodation now made use of having been given by the Collector *only temporarily*, I fear I may be told to shift my office to some other place to make room for his own office records, &c."

ENCLOSURE No. 1.

From L. RAMA ROW, Registrar of South Canara, to the Inspector-General of Registration, dated Mangalore, 13th July 1881, No. 126.

Adverting to your Proceedings, No. 1163, of the 21st June last, I beg to report that the Sub-Registry Offices of Karkal and Beltangudi stand in urgent need of accommodation. The former office is held in the same building as that of the Deputy Tahsildar's Cutcherry at that station to the great inconvenience of both the Sub-Registrar and the Deputy Tahsildar by reason of scanty accommodation. Certain repairs were sanctioned to make the vacant Munsif's Court-house available for the Sub-Registrar's Office, but the work has not been taken in hand as there is every probability of the building being again taken up by the Civil authorities, since the District Judge has again requested the sanction of the High Court for the transfer of the Munsif's Court of Bárkúr to Karkal.

The accommodation for the latter office has been a subject of much previous correspondence, and an estimate is called for from the Public Works Department, but no steps seem to have as yet been taken for the construction of the building. The office is at present held at a corner of the Subsidiary Jail attached to the Sub-Magistrate's Cutcherry at Beltangudi, which is too small and does not admit of even a temporary extension. As no suitable private building was available, permission was obtained from the Collector to hold the office in the place where it is now held, which was, upon a representation made by me, obligingly granted by him only as a temporary measure for a few months.

2. My own office too is held in a small room adjoining the Collector's Cutcherry and the registration records are kept side by side with the records of the Collector's Office in the same room, which does not allow space enough for any additional almirahs being kept there. As the records, both of this office and that of the Collector's, are increasing year by year, no room can be

made for their safe custody, and the accommodation now made use of having been given by the Collector *only temporarily*, I fear I may be told to shift my office to some other place to make room for his own office records, &c. In paragraph 4 of my letter, No. 99, dated the 26th June 1880, I had duly brought to the notice of your predecessor the fact that no suitable private buildings on a moderate rent could be obtained for the office.

3. Under these circumstances I request that early sanction of Government may be obtained for erecting suitable buildings, which are absolutely needed for the accommodation of the several offices mentioned above.

ORDER THEREON, 5th August 1881, No. 1562.

Transferred to the Public Works Department, with request that the necessary orders may be given for the preparation of the plans and estimates for offices at Beltangudi and Mangalore, and at Karkal, if the vacant District Munsif's Court is to be reoccupied.

2. Attention is invited to the delay in the preparation of the plan, &c., for the office at Beltangudi.
