No. 90. ORDER THEREON, 20th August 1881, No. 2,068 W.

IT is observed that the bulk of the advances still unadjusted belong to the Cuddapah Division. The difficulty in clearing them up is apparently due to the fact that the accounts of the division include those of the old Bellary, Anantapur, and Kurnool Divisions, and that all or nearly all the officers concerned have since left the Department.

2. The items marked *a* and *b* may now be finally passed.

3. The items marked *c* will adjust themselves in due course, and should remain on the accounts for the present.

4. The item of Rs. 36-5-6 in the accounts of the Presidency Division is understood to be made up of the following sums, since paid :—

	RS.	A.	P.
Register No. 230 debited against "Allowances" and paid in to the Executive Engineer by the Secretariat Cash-keeper at Madras	12	3	0
Do. do. debited against "Contingencies," and paid in to the Executive Engineer by the Secretariat Cash-keeper at Ootacamund	24	2	6
Total ...	36	5	6

5. The Examiner will verify this and arrange for the adjustment of the item.

6. The item marked *d* will be adjusted by the Chief Engineer for Irrigation, failing which the circumstances should be explained.

7. Those marked *e* should be recovered, subject to any representations which may hereafter be submitted by the subordinates concerned.

Nearly the whole of the advances in question belong to the Cuddapah Division and the difficulty in clearing them up is of course due to the fact that the accounts of this Division include those of the old Bellary, Anantapur, and Kurnool Divisions, and that all or nearly all the officers concerned in the great majority of the transactions have left the Department –

I would suggest that the items marked A and B be finally passed, the former on account of the impossibility of obtaining any further explanation being obtained, the latter, as being 2066 irrecoverable without hardship and possibly injustice –

The items marked C will adjust themselves in due course and should remain on the accounts for the present –

The E. E.'s office should be asked for explanation regarding those marked D –

Those marked E should I think be recovered, or special orders obtained regarding them –

Your note to me of 28.7.81 on the accg. papers.

All the papers (with the exception of Memo No. 1085 of 3rd May 1881, sent herewith) relating to the case of Messrs Lazaro & Moothoosawmy are with you at Ooty, but so far as I can make out the item of Rs 36.5-6 standing against the Secretariat has already been adjusted –

I have ascertained that that item is made up of the two sums of Rs 12-3-„ & Rs 24-2-6 marked in blue pencil at page 5 of the accg. Copy of our O.N. to C No. 333 of 23rd March 1881

The total amount recovered from Mr Lazaro was Rs 524-2-6, & this just covers both the items stated to be due by him at page 5 of the same O.U.

The first item to be accounted for by ~~[illegible]~~ Moothoosawmy at the same page, Rs 400 was afterwards reduced by the discovery of certain vouchers (I write from memory) to Rs 304-2-8 & this sum was duly recovered from him.

Subsequently the Supdt. Presy. or the Sar. (papers with you) pointed out that a further sum of Rs 12.3.- had to be accounted for, & this ~~[illegible]~~ sum also was paid in by Moothoosawmy –

Thus both the items of 24-2-6 & 12-3-- making

Copy of letter from the Examiner Public Works Accounts to the Accountant General, Public Works Department, No. 141 A dated 7th November 1880.

I have the honor to bring the following case before you.

There are certain Steam and other Boats belonging to Government on the Godavery and Kistna Rivers in this Presidency which are used, as required by Government Officers who pay a certain hire for them.

2. A question has arisen as to the liability of His Grace the Governor of Madras to pay hire for the use of these Steam boats &c when on tour. His Grace considers that he is not liable to pay anything by way of hire, though willing to defray actual expenditure

3. I should feel much obliged by an expression of your opinion whether His Grace is liable for the hire or whether the use of these boats by Governors on tour is to be free of charge.

4. A reply at your early convenience will oblige as the case in question has been some time under discussion, and but

for an oversight would have been referred to you long ago
