THE SUPERINTENDENT,
MADRAS HARBOUR WORKS,

To

Colonel R. H. Sankey. C. B., R. E.
Secretary to Government
Public Works Department,
Fort St. George, Madras, 16th January 1881.

SIR,

I have the honor to state, with
reference to G.O. No 2955 W of December
29th that Mr. G. Cartwright, who acted
as my assistant from the middle of
June last, left Madras by the Steamer
"Australia" on December 25th 1880. —

2. At the date of his departure I
had received no reply to my letter No 72 W
of the 16th December, and the order above
mentioned did not reach me until 6
days after Mr. Cartwright had left.

3. As Mr. Cartwright had been
detained here for three months longer
than I had expected, and as during
the

the seven months that he was here he did
not apply for any leave, I supposed that
of there could be no doubt as to my being
Le justified in paying his salary up to
December 31st, more especially since the
days from December 25th to 31st were
proclaimed holidays in the Gazette, al-
though they were not holidays on these
works.

" 4. The order of December 29th shows
me that I was wrong in making this
payment, and that I am consequently
personally liable for the amount of salary
due to Mr. Cartwright from December
24th to 31st. I would therefore respect-
fully ask that the payment may be
sanctioned as an exceptional case, and
at the same time venture to state that
for five weeks of the very hottest season
of last year (May & June) I had no
assistant, and had consequently to

do

do double duty.

I have the honor to be,

Sir,

Your most obedient servant.

of Supplement F to the Civil Leave Code, his absence should not cause any additional expense to the State. Under this ruling, all that is available for Mr Cartwright is the portion of Mr Beardmore's salary which remains undrawn.

Mr. Beardmore having gone on privilege leave draws his full pay, consequently, if Mr Cartwright is appointed, his will be an additional appointment to which, as the proposed pay is Rs 450/- a month and consequently is above Rs 5000/- a year, the sanction of the Secretary of State will be required.

entitled to pay, he cannot be allowed Travelling

No. 102. Despatch from the Most Honorable the Secretary of State for India.

Public Works.
No. 19.

India Office, London,
14th Oct. 1880.

MY LORD DUKE,—With reference to my Public Works Despatch, No. 14, dated the 12th of August last, herewith is transmitted copies of further correspondence which have passed between this office and Mr. Parkes, Engineer of the Madras Harbour Works, in regard to a continuance of leave, on account of ill-health, granted to Mr. Beardmore, Assistant Engineer on the Harbour Works.

I have, &c.,

HARTINGTON.

His Excellency the Most Noble
the Governor in Council, Fort St. George.

From W. PARKES, Esq., M. Inst. C.E., to the Under Secretary of State, India Office, dated London, 24th September 1880.

I HAVE the honor to enclose a letter I have received from Mr. N. St. B. Beardmore, Assistant Superintendent of the Madras Harbour Works, asking for an extension of his leave of absence on the ground of his recovery being as yet incomplete. I also enclose a medical certificate supporting his application.

I beg to recommend that Mr. Beardmore be authorised to extend his absence from Madras for a time not exceeding three months, but with liberty to return earlier if he can do so without injury to his health. He is naturally anxious to return to his duties, but it is most undesirable that he should expose himself to any danger of a relapse on account of the work as well as on his own account. His place is for the present efficiently filled by Mr. Cartwright.

From N. St. B. BEARDMORE, Esq., to W. PARKES, Esq., M. Inst. C.E., dated London, 23rd September 1880.

THOUGH I feel very much better than when I first landed in England, a little less than four months ago, I do not feel altogether recovered in health; and Mr. Howse of Guy's Hospital, whom I have consulted, recommends me to stay two or three months longer in a cool climate.

I should be glad if the extra leave could be granted to me, which I presume would not prevent my returning to India sooner, if I felt so disposed to do. Under the leave at present granted to me I should have to leave England in the first week in October; if I am allowed to remain longer I think I should be ready and fit to sail in the beginning or middle of November.

I enclose the Doctor's certificate.
