Eastern Division Office Godavari

Wodlaishwararam July 1881

From

Supd 30 July 1881

The Executive Engineer in Charge

Eastern Division Godavari

To

The Superintendent of Works

Godavari District

Sir,

Enclosures 2

In returning your endorsement

1. Supd of Works No. 762

No. 762 dated 16th June 1881, with its

8/16/6/81

enclosures, calling for further explanation

1. Extract of Supd of Works letter to the

about delay in the submission of my

2. Chief Engineer

monthly accounts for April 1881. I

have the honor to inform you that I

have nothing further now to say on

the subject than to refer you to my letter

No. 945 dated 12th March last in

which I have stated that the office

work of the Sub Divisional Offices

in this Division is always so heavy

that it is hardly manageable with

one Sub Divisional Clerk & consequently

that the late receipt of the Sub Divisional

accounts on which the preparation of

the Divisional accounts is wholly

based was the primary cause of delay

in the submission of the latter to the

Examiners, and in order to obviate

future delays, I have in my letter

above

above referred to applied for the
sanction of an additional clerk
for each Sub Divisional Office, on
a monthly salary of Rs 15.

2. You have fully admitted my
reasons and in your letter No 3847
dated 21st March 1881; an Extract
of which accompanies this to faci-
litate reference, to the Chief Engineer
P. W. D. you advocated the necessity
for the services of a 2nd clerk for
each Sub Divisional Office; if the
Divisional accounts are to be des-
patched in proper time, i.e. on the
5th of each month; up to this sanction
for the additional Establishment has
not been accorded & consequently the
Sub Divisional accounts still continue
to be submitted very late every month.

3. I hear that in the Kistna
Eastern Division, where the Sub Divisions
are, I believe much smaller the Govern-
ment have sanctioned an Extra clerk
on Rs 20 per month for each of the
Sub Divisional Offices so I hope similar
Extra Establishments will be sanctioned
for this Division.

I have the honor to be
Sir

Your most Obedient servant

Executive Engineer

Copy of letter from the Executive Engineer in
Charge of Eastern Division Godavari District.
to the Examiner of Public Works Accounts No. 21
dated 18th May 1881.

Mr Encl 1881
4601

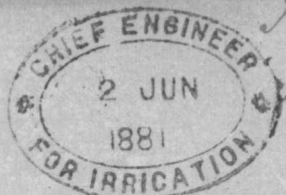

I have the honor to report for
your information that my accounts for April/81,
will be despatched about the 25th Instant, the
Cause of delay being the late receipt of the
Sub-Divisional accounts into the Divisional
office viz on the 14th Instant.

2. One of the Sub-Divisional Officers on
whom I have called for an explanation of
delay in the submission of the Sub-Divisional
accounts states that, it is due to the System
being entirely new and not yet mastered. as
also to the immense amount of work his only
writer is expected to get through.

In reference to your endorse-
ment N^o. 1369 dated the 8th June 1881,
herewith returned, I have the honor to
submit herewith letter in original N^o.
191 of the 30th July 1881 from the Officer

regarding the delay in the submission
of his monthly accounts to the Examiner,
and to invite your attention to para 1
of Mr. Walch's letter N^o. 3847 dated 21st
March 1881, and request that you will
be good enough to move the Govern-
ment to sanction the appointment of
an additional writer to each Sub Di-
vision office in the District or at
least

least in the Eastern Division. Unless
this is done I fear delay in the sub-
mission of the accounts to the Exa-
miner will inevitably occur.
