A draft accepting the proposals is put up, but I am a little doubtful whether the condition of the P.W.D. paying half the cost of repairs is an acceptable one –

In the absence of any specific reason

In the proposed
arrangement with
reference to the repairs
I cannot but think this
undesirable — Even
under the improbable
supposition that this
Department should at
any future time claim
the building the L F B

fortunate in being able
to secure it in simply
