GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

25th August 1881, No. 2,103 W.

General.
Account.

Read the following paper:—

No. 101-A. From D. C. GORDON, Esq., Officiating Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 13th August 1881, No. 492.

I HEREWITH forward a letter received from the Superintendent, Madras Harbour Works, with its enclosures in original, from which you will observe that the Madras Railway Company desire an early adjustment of the sum of Rs. 74,773-14-8 stated to be due, and which is Rs. 6,917-5-9 in excess of the claim referred to in G.O., No. 1,011 W., dated the 20th April 1881.

2. The claim, as stated in your office note No. 739 N. of the 10th instant, forms an addition to the revised estimate, but at the present date it cannot be stated for a certainty whether the payment can be met from savings. In the absence therefore of a special grant, and with an excess over grant of Rs. 27,570 already reported in office note No. 390, dated the 15th ultimo, it appears necessary for me to obtain the orders of the Government to issue a letter of credit for the adjustment of the amount due.

3. If the Government decide that a letter of credit for Rs. 74,773-14-8 or Rs. 74,774 in round numbers should be granted, I beg that early orders may be issued.

From F. N. THOROWGOOD, Esq., M. INST., C.E., Superintendent of the Madras Harbour Works, to the Examiner of Public Works Accounts, dated Madras, 11th August 1881, No. 35 C.

I HAVE the honor to forward, for your information, a letter from the Agent and Manager, Madras Railway, No. 2,632, dated 10th August 1881, giving cover to a statement showing a claim of Rs. 74,773-14-8 for depreciation of the wagon stock employed for conveying laterite to these works, and with reference to G.O., No. 1,499 W., dated 15th June 1881, to request you will be good enough to favor me with your views on the subject.

From the Agent and Manager of the Madras Railway Company, to the Superintendent of the Madras Harbour Works, dated Madras, 10th August 1881, No. 2,632.

WITH reference to the Proceedings of Government, Nos. 1,011 W. and 1,747 W., dated respectively the 20th of April and the 15th of July 1881, with copies of which you have been furnished, I have the honor to enclose a statement showing this Company's claim against the Madras Harbour Works in respect of the depreciation of the wagon stock employed in conveying laterite to Madras.

2. The claim is now made out upon the basis indicated by the Government of India, viz., the difference between the special rate previously charged and full tariff rates.

3. I request that you will be so good as to arrange for the adjustment of the amount of the claim, Rs. 74,773-14-8, before the end of the current month, in order that we may take the figures to account in the half-year ending June last.

No.101-B. ORDER THEREON, 25th August 1881, No. 2,103 W.

THERE appears no doubt that under the orders of the Government of India the claim should be met. The Examiner, Public Works Accounts, is accordingly authorised to issue a letter of credit for Rs. 74,000 in anticipation of an increase to the current year's budget provision for the Harbour Works, for which the sanction of the Government of India will be requested.
