From,

The Executive Engineer,
Sincerely Division.

To,

The Superintending Engineer
3rd Circle.

Sir,

I have the honor to bring
to your notice, that unless the
revised Estimate for the New Jail
at Palamcottah is sanctioned
at once, it would be better to surren-
-der Rs 20,000 of the grant for
the current year and transfer
the money to some other work.
An Estimate was sanctioned in
G.O. No 1353W. dated 12 May 1879 for
Constructing Head Assistant Collec-
-tor's office at Shennadeni but
upto date no money has been al-
-located for it. If Government
wish this building to be construct-
-ed soon, Rs 4000 might be
transferred to it.

2. With the exception of
the Association wards, and for
which the revised Estimate provides
for substituting blocks of Cello, the
iron palisades, filter beds, and
Conduits, all the works of the New
Fail are now practically completed.
I have postponed the Construc-
-tion of the filter beds and Con-
-duits, and the erection of the
palisades, pending the sanction
of the revised Estimate for the
sites for these may require to
be altered if the Cello are sanc-
-tioned.

I have the honor to be,

Sirs,

For orders -

As the estimates for
 the Palamcattah Jail
 have only just gone back
 to the S.E. for revision, it
 seems probable that it
 will be some time before
 they are finally sanctioned.

The provision for the
 work in the current years
 budget amounts to Rs
 50,000.

For orders with
 regard to the S.E.'s letter
 and the above note -
 The surrender of Rs 20,000
 should I think be accepted
 as its value is some time
 before the estimate is
 revised & sanctioned.
 And other works require
 attention.
