PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd July 1881.

No. 1,461.

Read—the following Proceedings of the Madras Government, Financial Department, dated 26th May 1881, No. 927.

Read—the following papers :—

Proceedings of the Board of Revenue, dated 25th March 1881, No. 497 [Current No. 925].

ABSTRACT.—Reviewing and submitting to Government Local Fund Budget of Chicacole Circle, in Ganjam District, for 1881-82.

Proceedings of the Board of Revenue, dated 10th May 1881, No. 4,846, Miscellaneous [Current No. 1,164.]

Read the following letter from H. B. GRIGG, Esq., Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 27th April 1881, No. 1,820 :—

In enclosing copy of a letter from the Inspector of Schools, First Division, submitting remarks on the Budget Estimate of the Chicacole Circle for 1881-82, I have the honor to state that I concur with him in considering that the provision for results grants should be raised to Rs. 3,000.

2. Early in 1881 Mr. Monro recommended to the Circle Board the establishment of an Elementary Normal School at Chicacole for training teachers for Local Fund Schools, but the Local Board remarked that they were not financially in a position to incur the additional expenditure, and that it was useless to pay students to learn the art of teaching unless the teachers covenanted to serve the Board for a term of years. Hereditary village masters I consider will probably follow the profession without being bound down by any rules, but I see no objection to the execution of a covenant. In Kurnool, village teachers join the Normal School to be trained, and a higher rate of results grants to certificated men, as distinguished from uncertificated and untrained men, will, as in Kurnool, induce village schoolmasters to enter the Normal School. Further, if Mr. Monro's proposal be adopted, the outlay on the Normal School can be considerably reduced. In these circumstances, therefore, I beg to suggest that the Local Fund Board be requested to reconsider the question.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 25th March 1881, No. 497, reviewing the Local Fund Budget of the Chicacole Circle for 1881-82.

2. As suggested by the Director, the provision for result grants will be raised from Rs. 2,000 to Rs. 3,000 on receipt of the budget from Government.

3. The President will lay before the Local Fund Board the Director's letter and its accompaniment regarding the establishment of a Normal School at Chicacole and submit their views thereon.

(A true Copy and Extract.)

(Signed) C. D. MACLEAN,
Acting Sub-Secretary.

Order thereon, 26th May 1881, No. 927, Financial.

THE estimated receipts and charges of the Chicacole Local Fund Circle for 1881-82 are compared below with the sanctioned and regular estimates for 1880-81 :—

2. In the Regular Estimate a large increase over the sanctioned estimate appears under Opening balance, which should have been explained. The decrease under Miscellaneous receipts is likewise unexplained, but appears to be due to the absence

of any receipts under the head "Refunds." The budget provision of Rs. 1,880 for New Works "Communications" is raised in the Regular Estimate to Rs. 8,110 or by Rs. 6,230, while the Road Fund Reserve did not exceed Rs. 4,250. The Board of Revenue do not state whether the additional allotment was duly authorised. No provision was made in the budget for New Works "Civil Buildings" and "Miscellaneous Public Improvements," while an expenditure of Rs. 20,850 is estimated under these heads. The General Fund Reserve was only Rs. 2,350.

3. The Budget Estimates for 1881-82 are correctly prepared and fully explained by the Board of Revenue. It is observed that the scale of Local Fund Engineering establishment for the circle has not yet been finally settled; no further delay should occur in coming to a decision. The provision for a hospital at Calingapatam is passed. Regarding the allotment for a midwife, it is observed that the charge was provided for in the last year's budget also, but was not utilised. The Government trust that the services of a midwife will be secured during the current year.

4. The Government regret that they have not before them the remarks of the Surgeon-General and Sanitary Commissioner on the medical and sanitary allotments. The President will explain the neglect in submitting the estimates under those heads to the officers concerned for their remarks. As suggested by the Director of Public Instruction and recommended by the Board the provision for results grants will be raised to Rs. 3,000. The proposals regarding the Normal School and the training of teachers will receive the attention of the Local Board.

5. With the above remarks the Governor in Council passes the Budget of the Chicacole Circle for 1881-82.

(True Extract.)

(Signed) C. G. MASTER,
Offg. Chief Secretary.

Resolution—

THE Local Fund Budget of the Chicacole Circle for 1881-82 is herewith circulated to all officers concerned.

2. PARAGRAPH 2 OF THE GOVERNMENT ORDER.—The large increase of the actual opening balance over the estimated balance shown in the Budget Estimate is due to the expenditure, particularly under Public Works, having been considerably less than what was anticipated in the Regular Estimate of 1879-80.

3. The increase of Rs. 6,230 under "New Works, Communications," was duly sanctioned by the Board from the Road Fund balance, but the provision of Rs. 2,850 under "Civil Buildings" and "Miscellaneous Public Improvements" having been made only in the Regular Estimate, the President was called upon to submit a formal application for the necessary allotment of funds (*vide* paragraph 4 of the Board's Proceedings recorded in the Government Order).

4. PARAGRAPH 3 OF THE GOVERNMENT ORDER.—The Circle Board's revised scale of the Local Fund Engineering Establishment is now before the Board and will be submitted to Government shortly.

5. PARAGRAPH 4 OF THE GOVERNMENT ORDER.—The reports of the Surgeon-General and Sanitary Commissioner were submitted to Government with the Board's Proceedings noted in the margin. The alterations pointed out by the former officer have been made in the budget.

6. As suggested by the Director of Public Instruction and directed by Government, the provision for result grants has

been raised from Rs. 2,000 to Rs. 3,000. The President will report the views of the Local Fund Board regarding the establishment of a Normal School in the Circle as suggested by the Director.
