Quota 1

Sir,

The Executive Engineer South Arcot Division incurred an expenditure of Rs 73-2-6 for inserting advertisements in the "Madras Mail" for tenders for the supply of Materials to the Salug Cutcherry at Manjakkuppam, and charged the amount in Contingent Bill for June/81. But the Examiner of P. W. Accounts, in his list of Disallowances No. 55 of 1881-82 has deferred the audit of the amount pending sanction of Government for

for the admission of the charge
under G.O. No. 3202 W dated
13th December 179.

2. The circumstances under
which the Divisional officer
was authorized by this office
to have the advertisement pub-
lished in the Madras Mail
are explained in the Executive
Engineer's letter No. 356 of
the 23rd May 1881, extract of which
is herewith forwarded for your
information. I have therefore
the honor to request that the
sanction of Government may
be obtained to the charge above
stated, viz, Rs 73-2-6.

I have the honor to be
Sir

Your Most Obedt. Servt.

J. Beatty. Lt Col. R.E.

Suff Engineer & Col.

Extract from Order No. 126
356 of 23^d May 1881 from the
Executive Engineer, South India
Division.

In acknowledging receipt
of your No. 126 S. I. of 23^d May
1881 authorizing me to insert
tenders in the District Gazette
for the construction of a
Cutcherry at Mangalappuram,
I have the honor to inform that
the District Gazette will be
published in future only once
a month on the first Thursday
instead of in 2 issues as heretofore
published on a Wednesday
and Thursday. The next issue
of the Gazette will therefore be
on Thursday the 2^d June and
the succeeding issue will not
be out before the 2^d July.
I am afraid that by having
recourse to the Gazette the

be much delay in the advertise-
ment being published. My
object is to lose no time what-
ever in making the necessary
arrangements for the collection
of materials, especially the pre-
paration of bricks before the setting
in of the monsoon, in fact as the
brickmaking season is again
rapidly passing away. I have
deemed it advisable to have
the advertisement published
in the Madras Mail which is
being received by many in the
District. I hope this course
will meet with your approval.
