GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

2nd September 1881, No. 2,164 W.

General.
Establishment.

Read the following paper:—

No. 7. From Major H. R. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 17th August 1881, No. 355.

I HAVE the honor to request permission to move the head-quarters of Salem Division from Hosúr to Salem, as the latter station has the advantage of being more central, of being 5 miles in place of more than 20 from a railway station, it is the Revenue head-quarters, and finally at that station there is a good office building available.

2. Hosúr was made the head-quarters under G.O., No. 265 W., dated 3rd February 1880, and has been the last year convenient as the Executive Engineer was chiefly employed in the preparation of the Marandahully and Baroor projects, and the new sick lines at Hosúr were in progress.

The case is different now and Salem will be far better, the old District Engineer's Office is available and suitable as an office.

No. 8. ORDER THEREON, 2nd September 1881, No. 2,164 W.

SANCTION is accorded to the removal of the head-quarters of the Salem Division from Hosúr to Salem.
