GOVERNMENT OF INDIA.
PUBLIC WORKS DEPARTMENT.

GENERAL.

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS.

Simla, August 18, 1881.

SIR,

I am directed to state, for the information of the Government of Madras, that the Governor General in Council has carefully considered again the case of the officers who retired from the Public Works Department under the Resolution in the Department of Finance and Commerce No. 2079, dated 31st July 1879, and who have been sub-

No. 1034W., dated 22nd April 1881.	sequently employed by Local Fund
" 1037W., " " "	Boards, in the light of the arguments
" 1364W., " 31st May "	contained in your letters quoted in
" 1426W., " 7th June "	the margin, and their enclosures.

2. A careful reconsideration of the case as it is now stated has led His Excellency the Governor General in Council to modify the conclusions at which the Government of India had formerly arrived. All such officers who have been employed under Local Funds and paid therefrom may be permitted to draw their pensions and to retain their special gratuities without payment of interest thereon in addition to the salaries they may receive from Local Funds. All deductions, therefore, which have been made from salaries on account of interest on the special gratuities, or the special gratuities themselves, if they have been recovered, should be at once refunded, and all arrears of pension paid up, and interest should be given on all such sums, at the rate of 4 per cent. per annum.

3. All that the Government of India now desires is that the Madras Government will, in this case, as it would in any other case, use the powers which it possesses to prevent the Local Boards from incurring excessive and wasteful expenditure. The letter of section 177 of the Civil Pension Code has no application in this case, but the spirit of it might be remembered, and if it is contravened, the Local Board should be pressed to reduce the salary, subject of course to the conditions of engagement, in consideration that the officer, being the recipient of a pension from Imperial revenues, ought to be willing and able to serve it on less pay than another man without that advantage.

(2)

4. As the wishes of the Madras Government have been met in this matter, it is not necessary to forward the despatches or memorials received for transmission to the Secretary of State.

I have the honor to be,

SIR,

Your most obedient Servant,

W. S. Sampson

Under Secretary to the Government of India.
