The Chief Engineer

P. W. Department. Madras

3. Details &
Abstract Estimates
with specific
reports.

1. Table of areas
of sections &

19. Sheets surveys
& sections

Sir

I have the honor to forward
for the approval and sanction of
Government the Estimates noted

Right Flood bank to
Palairi river ———— Rs. 6130

Left Flood Bank & Moosee
river & diversion of Enaga
= lower stream into Moosee Rs. 14960

Right & Left Flood Banks
to Gundlacamma river Rs. 15250

in the margin
with the survey
longitudinal
and cross sections
appertaining
thereto for the

works that have been deemed
necessary for the protection of the
canal at the points where it crosses
the Palairi, Moosee & Gundlacamma
Rivers

Rivers, and for preventing the Spill
from those rivers when in flood,
from taking the left bank of the
Canal in reverse.

The Estimates for the Flood Gates
that are proposed to be constructed
in these run-off currents where the
Canal meets them will be forwarded
along with those for similar works,
when the General Estimate for
clearing the existing Canal down
to the Established Sole level of
3' below lowest tide levels, is
submitted for sanction.

The preparation of the remaining
Estimates for protective works & diversions
of Canal are under rapid preparation
and will be sent up in sections as
they are completed.

I have the honour to be

Sir

Your most obedient servant

W. Drake - Engineer Major R.E.
