GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

8th January 1881, No. 23 W.

Buildings and Roads.
Civil Works.

No. 37. Proceedings of the Madras Government, Public Works Department,
dated 8th January 1881, No. 23 W.

It having been brought to notice that the value of the materials (Rs. 1,220) collected in 1879 for the repair of the old Sub-Collector's bungalow at Dindigul, the disposal of which was authorised in G.O., No. 2,855 W., of the 11th December 1880, has been already written back from the old building to the new work, under instructions contained in G.O., No. 1,987 W., dated 23rd August 1880, the Government desire that the following course be now adopted for the adjustment of these materials:—

The previous write-back should be cancelled, and the amount realised by the sale of the materials should, when known, be credited to the old work. The new building will then not be affected by the transaction, and will be constructed upon the estimate framed for it, independently of the old materials.
