GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

30th September 1881, No. 2410 W.

Buildings and Roads.
Civil Works.

Read the following paper:—

No. 178. Endorsement of the Chief Secretary to Government, Marine Department, dated 16th September 1881, No. 1,560.

From J. H. TAYLOR, Esq., Lieutenant R.N.R., Master Attendant, Administrative Department, to the Chief Secretary to Government, Marine Department, dated Madras, 9th September 1881, No. 7,967.

I HAVE the honor to submit an estimate, amounting to Rs. (3,470) three thousand four hundred and seventy, for deepening salt creek from the junction of the main creek up to the tidal lock in the river at Masulipatam, with the papers as per margin. Mr. Rundall states that the work is necessary, in order that the new quay wall may be fully made use of, otherwise boats will have to load up at Gilakuldindi, which is attended with many difficulties. I am anxious that every facility should be afforded to boats for making use of the new quay, and would therefore recommend the proposal for sanction, the cost to be met from Port Funds. But as already a large amount has been sanctioned from that source for the quay, it is a matter for the consideration of Government whether the Sea Customs Revenue, which will also benefit by the improvements, should not bear a portion of the expenditure. I am not aware if any canal tolls are levied on boats using the creek, but, if so, a portion of the charge might be a legitimate debit against that head. As the work is an emergent one, the early sanction of Government is solicited. I would respectfully request that information be called for as to causes of silt in the creek, and whether it is attributable to any other than simple natural cause.

APPROVED and transferred to the Public Works Department for further disposal. The cost of the work will be debited against Port Funds pending the result of inquiries in the Revenue Department.

(Signed) R. DAVIDSON,
Chief Secretary.

No. 179. ORDER THEREON, 30th September 1881, No. 2410 W.

THE estimate, amounting to Rs. 3,470, for deepening the salt creek from the junction of the main creek up to the tidal lock at Masulipatam is sanctioned.

				2. The Accountant-General will be

Superintendent of Works Office,
Kistna, Masulipatam.

17th August 1881.
Despd 17th 1881

From

The Superintendent of Works,
Kistna.

To

The Port Officer,
Masulipatam.

Sir,

Enclosed
1 Estimate
1 Report

I have the honor to forward herewith,
an estimate amounting to Rs 3470 for deepening
the Gath Creek from the junction of the main creek
up to the Tidal Lock.

2. You are aware that the work is necessary
in order that the new Quay wall may be fully
made use of, otherwise Boats will have to load
up at Gitalakulindi, a course which is, I am in-
formed, attended with many difficulties.

3. A portion of the work was done while
the creek was laid dry for the construction of the
Quay wall, but the rest of the work will, as ex-
plained in the Report, have to be done by dredging.

4. I request you will be good enough to
forward the papers to the Master Attendant

Administrative Department, Madras for transmission
to Government for sanction and allotment of funds.

5 The Quay wall will be completed next
month, and to admit of its being used at all states
of the tide, the creek should be deepened at once,
and I trust therefore you will urge the early
sanction of the Estimate.

6. I am not certain whether the Estimate
should be countersigned by the Collector; if this
is required, please forward it to the Collector
with this letter or a copy of it.

I have the honor to be,

Sir,

Your most Obedt. Servant.

J. W. Rumsdale
Superintendent of Works,
Mistna.

3. Report of S. S. S.

Tidal lock in the river at
Masulipatam with the papers
as per margin. Colonel Muddall
states that the work is neces-
sary, in order that the new quay
wall may be fully made use of,
otherwise boats will have
to load up at Gilakulduki,

which is attended with many difficulties. I am anxious
that every facility should be afforded to boats for
making use of the new quay, and would therefore
recommend the proposal for sanction, the cost to be
met from Port Funds. But as already a large amount
has

Compd. by Marine 566/91

has been sanctioned from that source for the quay, it
is a matter for the consideration of Government, whether
the Sea Customs Revenue, which will also benefit by the
improvements, should not bear a portion of the expenditure.
I am not aware if any Canal Tolls are levied on boats
using the creek, but, if so, a portion of the charge might
be a legitimate debit against that head. As the work
is an emergent one, the early sanction of Government
is solicited. I would respectfully request that informa-
tion be called for as to causes of Silt in the creek, and
whether it is attributable to any other than simple
natural cause.

MEMORANDUM

Current No. 5351

Letter Number 1560.

dated the 16th September 1881.

from the Marine Dept.

Note of Remarks.

The Estimate with report for deepening the Salt-Creek from the junction of the main Creek up to the Tidal Lock in the river at Maenlipatam. This sum amounts to Rs. 3470.

The Estimate provides for clearing the Creek by manual labor & by Dredging. The cost of reconstructing the revetment below the tidal lock has been included in the Estimate & chargeable to maintenance of the lock.

The Rates entered are considered fair.

The Estimate has not been countersigned by the Collector.

22nd September 1881.
