No. 15. Endorsement of the Educational Department, dated Ootacamund, 30th June 1881, No. 1,123.

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Officiating Chief Secretary to Government, dated Ootacamund, 22nd June 1881, No. W 96.

I HAVE the honor to submit, for the orders of Government, a letter from the Principal, Civil Engineering College (with plan and estimate), requesting sanction for the erection of a verandah on the north side of the Principal's house.

2. Judging from what Lieutenant Love states the work seems necessary. I therefore recommend his proposal for sanction, but as only Rs. 1,200 are provided for petty repairs and improvements in the Civil Engineering College budget, whilst Rs. 1,428 will be required for the work as specified in the margin, I beg to suggest that, if sanctioned, the funds should be provided from the Public

PROCEEDINGS of the MADRAS GOVERNMENT.

G.O.  
From the Public Works Department, dated 1<sup>st</sup> August  
1881, No. 1895 W.

READ the following papers.

Letter from the Director of Public Instruction, Madras,  
dated 25 August 1881, No. 3750.

In returning the papers for-  
warded for my remarks, with your  
Endorsement No. 1386 dated 15 August  
1881, I have the honor to state that  
the Civil Engineering College is a  
Public Works building, and that  
provision has hitherto been made  
for its repair in the Department  
Public Works Budget. Moreover  
as the Government have declined  
to sanction my proposal to debit  
the cost of Educational Works  
in 1880-81 against Provincial  
funds, instead of the Building  
fund, the balance of the latter  
at the close of the year was  
approximately Rs 12,000 only, whilst

there

there are many claims upon this  
Fund. Under these circumstances  
I trust the Government will not  
order the charge for repairs to be  
met from this Fund, or if so, that  
the money may be recouped from  
Provincial Funds, Department  
Public Works, next year.

---

Order thereon 26<sup>th</sup> September 1884 No. 317.

The work, which does not  
appear to be of an urgent nature,  
can stand over till next year,  
when funds will be provided  
by the Public Works Department.
