SIR,

Enclosures.

1 Enclosure.

I have the honour to
return your endorsement No 498 of
the 19th inst; and to state my opinion
that when our Officer is on the march
with his Camp equipment ready to move
at all times, it is not necessary that the
place where a halt is prolonged should
be described as the temporary head quarters.
If this were the case, Executive Engr.
Mr. Nordmann, would be repeatedly
having fresh head quarters assigned in the
3 months.

2. But on consideration of the Journals,

Thru. No 19.9

Of S. 14.9.

as there appears to have been undue
advantage taken of the rules; I think
the halts in May and June may
be treated as halts at a distance from
Head Quarters, for which half tentage
may be allowed instead of the full daily
allowance. I am disposed to admit
the travelling allowance drawn for
the first month, April, but not for
the subsequent halts in the next two
months.

I have the honour to be

Sir
