Registration.—Site for the office of the Registrar at Tinnevely.

GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

15th September 1881, No. 1911.

Registration.

Read the following papers:—

From J. B. PENNINGTON, Esq., Collector of Tinnevely, to the Chief Secretary to Government, dated 1st February 1881, No. 50 [Current No. 362].

With reference to G.O., No. 112, dated 20th January 1881, sanctioning the construction of a new office for the Registrar at Kokkarakulam, I have the honor to suggest, for the consideration of Government, whether it is advisable to construct new offices on the banks of this river after the experience gained in 1877.

2. In that year the river went straight through my office to a depth of eleven inches, and it was afterwards condemned as unsafe. Even now, though it has been patched up, it is not, I believe, likely to last very long, especially if assailed by a somewhat higher flood; and I cannot believe that it would ever be rebuilt on the same site, though it is in many ways an extremely convenient one. I think it is much more likely that Tuticorin would be fixed upon as the Collector's head-quarters, notwithstanding its many disadvantages.

No. 240.

Referred to the Inspector-General of Registration for remarks.

Chief Secretary.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 28th March 1881, No. 163 [Current No. 1024].

Registration Department.

In returning endorsement, No. 240, dated the 5th February 1881, I have the honor to submit copy of a report* from the Registrar of Tinnevely, and to state that, should the Government deem it inadvisable to build the new office for the Registrar at Kokkarakulam, it may, I think, be built on the Tinnevely side of the river close to the Railway Station. The Registrar thinks the site to be "one best suited," while the Collector is said to have "no objection" to it.

* No. 72, dated 24th March 1881.

From J. B. PENNINGTON, Esq., Collector of Tinnevely, to the Chief Secretary to Government, dated 2nd August 1881, No. 423 [Current No. 2349].

I have the honor to forward a sketch showing the several places, buildings, and sites proposed for the Registrar's Office, and the height of each site above and below the flood level of 1877 of the Tambraparni river, as requested in Official Memorandum, No. 763, dated 25th April 1881.

2. I have since suggested to the Registrar in docket, No. 186, dated 9th March 1881, that his office might be accommodated in the old District Jail at Palamcottah,

the Registrar taking the Palamcottah Sub-Registrar's Division instead of that to the north of the river, and the Sub-Registrar being transferred to Tinnevely where sufficient accommodation could be easily provided for him.

—
No. 1368.

Referred to the Inspector-General of Registration with connected papers for opinion as to which of the three sites proposed for the office of the Registrar, Tinnevely, he is most in favor of, viz. :—

- a. At Kokkarakulam,
- b. On the Tinnevely side of the river, or
- c. The old District Jail at Palamcottah, by an interchange of jurisdiction with the Palamcottah Sub-Registrar.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Ootacamund, 18th August 1881 [Current No. 2446].

Registration Department.

With reference to endorsement, No. 1368, dated the 12th August instant, on a letter from the Collector of Tinnevely, herewith returned, I have the honor to state that I have already in my letter, No. 163, dated the 28th March last, reported that I thought the office of the Registrar of Tinnevely might be built on the Tinnevely side of the river close to the Railway Station, as the Registrar considered the site to be "one best suited."

2. The old District Jail at Palamcottah is not well adapted for a Registrar's Office; and, as stated in paragraph 7 of my letter, No. 460, of the 20th December 1880, it is desirable for many reasons that the Registrar's Office should be situated close to the other Revenue and Judicial offices of the district, which it would not be if removed to Palamcottah.

—
ORDER THEREON, 15th September 1881, No. 1911.

The Government having considered the several suggestions made as to a site for the office of the Registrar at Tinnevely are in favor of its being built near the Railway Station on the Tinnevely side of the river, and resolve to communicate the same to the Public Works Department with reference to Order in this Department, dated 20th January 1881, No. 112.
