Enclosures one
1 Estimate in
duplicate.

Sir,

I have the honor to forward herewith a revised Estimate for Tools and Plant — New Supplies, amounting to Rs 562, Sanction=ed by me for last year for the Kistna Eastern Division.

2 I beg to explain that an Estimate amounting to Rs 452 was sanctioned by me on the 14th December 1880. Subsequently a revised Estimate for the same supply amounting to Rs. 562 was forwarded by the Executive Engineer. Mr Grant explained that the excess was due to the increased rates — charged by the Superintendent of Public Works Stores, that the rates entered in the original

Estimate were entered from the Price List of 1879 (which is the last received) as approximately as possible. There appears to have been some inaccuracies in the original Estimate owing to the articles required not being clearly identified with those in the Price List.

3. The result however is, that the Estimate as revised, is beyond my power of Sanction, and in a letter dated the 5th Instant, the Examiner Public Works Accounts has requested me to obtain your Sanction.

4. This will, I trust under the Circumstances, be accorded.

I have the honor to be,

Sir,

Your Most Obedient Servant

J. W. Rundall

Superintendent of Works,

Kistna.
