Local Funds—Roads.

Read the following paper :—

No. 23. *From Major H. R. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 29th November 1880, No. 412.*

I have the honor to bring to your notice that in the Local Fund Budget Estimate of the amalgamated Chingleput Circle, Chingleput District, for 1880-81, page 7, 3½ miles of the Great Southern Trunk Road No. II from Madras to South Arcot frontier, viz., 2½ miles in the Cantonment of Mount and three-quarters of a mile in that of Pallavaram, as per enclosed sketches, have been omitted with the remark that those portions will be maintained from Cantonment Fund.

2. The Executive Engineer, Chingleput Division, has now submitted for sanction two estimates, amounting to Rs. 1,050, for maintaining those portions, and reported that the usual annual maintenance grants of Rs. 1,000 and 590 for the Cantonment roads of Mount and Pallavaram, respectively, are not sufficient to maintain those portions without neglecting some of the Cantonment roads. I consider that Imperial funds cannot be spent on them, as, in my opinion, they appertain to the Local Fund, being portions of a trunk road although passing through the cantonments. But to avoid all doubts on the subject, I request instructions whether the above-said portions of the road are to be maintained from Imperial or Local Funds.

No. 2790.

Transferred to the Financial Department with copy of note by the Hon. W. Hudleston, concurred in by His Excellency the Commander-in-Chief.

Acting Sub-Secretary.

No. 747.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd June 1880.

Read the following Proceedings of the Madras Government, dated 8th April 1880,
No. 723, Financial Department:—

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, dated 20th November 1879, No. 3,201, reviewing the Local Fund Budget of Negapatam Circle, Tanjore District, for 1880-81.

THE Local Fund Budget of the Negapatam Circle for 1880-81 will be printed and circulated to all officers concerned.

2. *Paragraph 2 of the Government Order.*—The President will explain how the allotment of Rs. 42,000 came to be made without due authority. The large increase to the sanitation charges was sanctioned by the Board under Clause 12, Nos. 23 and 24 of the revised Local Fund Rules, because there were funds available under the General Fund Balance; but in future the instructions of Government will be followed. No expenditure appears to have been incurred in past years on the construction of a dispensary building at Nannilam. The President will report whether an estimate for the work has been prepared and when it is likely to be submitted for sanction. It is undesirable that funds obtained by public subscription should remain so long unutilized.

3. *Paragraph 3.*—The attention of the President is drawn to this paragraph, and he is requested to furnish information on the points noticed by Government.

4. *Paragraph 4.*—In their Proceedings, dated 18th March 1880, No. 388, the Board have submitted, for the orders of Government, a proposal of the two Local Fund Boards of the district for the entertainment of a separate Engineering Establishment, and, pending the sanction thereto, the cost of such establishments will be provided in the budget.

5. *Paragraphs 5 to 7.*—The alterations pointed out in these paragraphs have now been made in the budget.
